

Ambassadors for theNate

Calling all art lovers! Do you want to learn more about theNate, a world-class sculpture park and the best-kept secret of the South Suburbs? Do you already know and love theNate, and want to share that love with your community? Do you want to have fun while learning something new? If so, we want you! We are building a network of volunteers to help us with our mission. You can customize your experience to do a little or a lot, but either way you will be part of something great. No previous knowledge or experience is necessary, just an interest in art, the outdoors, and the communities we serve.

BENEFITS: Monthly online and in-person meet-up opportunities to socialize with like-minded friends, experience the park in a unique way, and to gain special behind-the-scenes access to the collection, GSU's Art Historian Dr. Rebecca Siefert, and the staff of theNate. If you join you can help us by:

- Sharing your knowledge by spreading the word about the collection
- Doing a presentation in the communities we serve, and local organizations
- Volunteering at one of our established events

- Helping with fundraising and sponsorships
- Volunteering for a school tour of theNate

To support our volunteers, we offer a course about the collection to help you to utilize your area of interest and expertise. Join any time and complete at your own pace. Ambassadors for theNate is a year-round program with something new every month.
