

[Sample: *Biology – Limited Experience*]

## Anna Smith

333 Home St., Crete, IL 60432  
(708) 555-5555  
asmith@mail.com

**Education**     **Governors State University, University Park, IL**  
Bachelor of Science, Biology, Expected December 2024  
*Emphasis in Cell and Developmental Biology*

**Prairie State College, Chicago Heights, IL**  
Associate of Science, Graduated May 2022

**Lab Skills**     Enzyme characterization, RIAs, ion-exchange chromatography, gel electrophoresis, media preparation, protein, assays, plasma preps, aseptic techniques, use of radioisotopes, HPLC, cell fractionation

<b>Coursework</b>	Biology	Physics	Cell Biology
	Chemistry	Human Physiology	Microbiology
	Organic Chemistry	Human Anatomy	Biochemistry

**Experience**     **Research Assistant**  
Governors State University, University Park, IL, August 2022-Present

- Plan, organize, and assume long-term and short-term research projects in the comparative endocrinology lab.
- Analyze, research, and study the evolution of hormones for national study.
- Team with staff to develop expertise in the metabolic pathways of thyronines.
- Adept in RIAs, enzyme characterization, and handling radioactive materials.

**Laboratory Instructor**  
Prairie State College, Chicago Heights, IL, August 2020-May 2022

- Lectured in genetics, immunology, microbiology, and general biology.
- Prepared stock solutions and media for classroom projects.
- Supervised teacher assistants and oversaw 35 students in class.
- Teamed with professors and teacher assistants in publishing new lab manuals for ongoing research in the latest scientific trends in genetics.

**English Tutor and Mentor**  
Crete-Monee High School, Crete, IL, January 2016-December 2020

- Tutored and supported students in learning the complexities of the English language through individual and group sessions.
- Provided assistance to tutors in subjects such as Biology and Chemistry.

**Activities**     **Mentor**, Chinatown YMCA  
**Officer**, Society of GSU Integrative Biology Undergraduate Students  
**Fundraiser**, Recreation Center for the Handicapped

**Languages**     Fluent in English and Spanish
