

Transfer Guide

Associate of Applied Science – Occupational Therapy Assistant to Bachelor of Health Science in Community Health, Preparing for the Master of Occupational Therapy

The following is presented as an articulation agreement between South Suburban College (SSC) and Governors State University (GSU) for the Community Health program based on the current catalogs of both schools. The student would receive an Associate of Applied Science (AAS) in Occupational Therapy Assistant degree from SSC and a Bachelors of Health Sciences (BHS) degree from GSU. **This will prepare students for the occupational therapy program but does not guarantee admission.**
