STEP 2: REFUND POLICY AND REPAYMENT OF FINANCIAL AID

Students receiving Title IV funds (Federal Pell Grant, Federal SEOG, Federal Perkins Loan and Federal Direct Student Loans) and who withdraw from all their classes (officially or unofficially), will be subject to Governors State University refund policy and the federal policy and the federal policy regarding the possible return of Title IV funds awarded to the student.
Governors State University refund policy related to student withdrawal states that in order to receive a tuition refund, it is the student's responsibility to officially drop courses in the Registration Office within the refund period for the course.
The federal refund policy states that the student may retain only the amount of aid that he/she has earned (as a result of the prorated amount of time the student has been in school for the semester). Any aid that is not earned must be returned back to its source. Some federal programs, such as grants, may have smaller amounts to be refunded based on the particular aid program and the student's date of withdrawal. **The student will be responsible for any tuition and fee balance resulting from the refund(s).**
