Governors State University and Waubensee Community College 3+1 Pathway to the Bachelor of Science in Nursing (BSN) Degree

WCC students and alumni who complete the AAS degree and attain their RN license are uniquely qualified to transition successfully to the BSN program at Governors State University. Whether you want to increase your understanding of patient care or you want to earn the credentials you need for career advancement, the nursing program at GSU offers the most affordable and accessible pathway to success.

The Department of Nursing is ready to help WCC students meet their career goals.

- The BSN at GSU has the **quality** you expect and employers demand.
- GSU's program is **affordable**: 85 credit hours can be completed at WCC and transferred to GSU; only 35 credit hours are required to complete the BSN program at GSU.
- Passionate. Inspiring. Expert. You're not going to find a better group of individuals who are more dedicated to your future success than the faculty and staff in the BSN program.
- The entire program is accessible through dynamic **online** classes, with responsive, one-on-one advising so you get the attention and answers you need when you need them.
- This is not a cohort program, so you will have **maximum flexibility** to enroll part-time or full-time in any semester.
- If you attend full time, you can **complete the BSN in as few as three semesters**.
- If you are considering full-time enrollment in the BSN program at GSU, you should enroll in the **Dual Degree Program** in your second semester of the RN program at WCC. (see reverse for DDP benefits)

IAI Humanities or Fine Arts Course*** (Will satisfy Writing Intensive Req.)		3			
Electives		2			
Nursing Courses*		30			
Total Semester Credits at WCC		85	Total Semester Credits to be completed at GSU		35
Total Semester Credits Required for 3+1 program:		120 **			

*30 semester credit hours of lower division Nursing courses will be accepted for transfer towards the BSN; however 41 semester credit hours are required for the AAS in Nursing. No course work will need to be repeated at GSU.

**In order to satisfy all General Education and AAS Nursing requirements students may complete more than 120 hours.

***In order to satisfy the Multicultural Diversity Requirement students must complete either a Humanities or Fine Arts course with an IAI code ending in N or D.

All transfer course work must be completed with a grade of 'C' or higher.

What are the admission requirements?

Students may apply for admission to the BSN program at GSU in their last semester of the AAS program at WCC.

- Earn an associate degree in nursing from WCC with a 2.0 GPA or higher
- Current license as a registered professional nurse (RN).
 - *Applicants in process of obtaining the RN license may be admitted conditionally in order to continue in the program but must obtain the license by the end of the first semester of enrollment.*

Where Do I Begin?

Apply to the BSN program by visiting the Admissions web page at www.govst.edu/Admissions and click "Apply Online". The application deadlines are May 1st (Fall), October 1st (Spring) and February 1st (Summer). Nursing courses start in the Fall and Spring terms.

What Are the Benefits of Enrolling in the Dual Degree Program (DDP)?

Full-time students who enroll in the DDP have a number of financial benefits, including tuition freeze at GSU at the time of enrollment in DDP at WCC and eligibility for the GSU Promise and DDP Honors Scholarships that provide full tuition and fees. Students must apply in their second semester of the RN program at WCC. Email DualDegree@govst.edu or visit www.govst.edu/ddp for more information.
