SAVE THE DATE

Sponsored by Governors State University

Center for Online Teaching and Learning &

School of Extended Learning

Invitations will be sent via e-mail approximately six weeks prior to the scheduled date. Watch for the email – We look forward to sharing valuable information and getting your feedback about future offerings. Remember to mark your calendar.

All of the scheduled dates will be held on a Saturday 9-2pm in the Hall of Honors.

- **August 21st, 2010**

Repeating a session would not be necessary. Each session offers updated information, scheduled dates for hands on workshop, as well as an opportunity to mingle over lunch with others GSU adjunct faculty. Below is the link for the most current Adjunct Faculty Handbook.
