

## PROFILES OF ACADEMIC MAJORS -- FALL 2015

The **Profiles of Academic Majors** (PAM) provides a ten-year longitudinal snapshot of selected enrollment (e.g., headcounts) admissions, degrees awarded and, demographic (e.g., age) statistics arranged by fall term, fiscal year or academic year as appropriate.

The PAM is organized into six major sections. The first section provides data at the university level (all students, all undergraduate students, all graduate students, and all degree-seeking students by undergraduate/graduate level).

The next four sections provide data for the colleges: College of Arts and Sciences (CAS), College of Business (CB), College of Education (CE), and College of Health and Human Services (CHHS). Each college section begins with summary profiles by undergraduate/graduate level for all of its degree programs.

Degree programs are grouped by division/department within college (an Index is provided which lists all majors within each school by academic level). The sixth section provides profile data for undeclared/non-degree-seeking students that are organized by graduate/undergraduate level.

There are two pages of statistics for each major or summary grouping. The first page for each shows fall enrollment data by selected demographic characteristics and presents counts, as well as percentages, based upon the number of enrolled majors. The second page presents annualized data for each major. Degree counts are shown by academic year (fall through summer semesters). The annual counts for applications, admissions, and enrollment were derived from internal semester reports and are organized by academic year as well.

**Footnotes:** 1. **Unduplicated enrollment headcounts:**

Students may be enrolled in more than one degree program. They are counted once in each program they are enrolled in. Headcounts at the university and college levels are unduplicated and do not sum to the total number of students enrolled in individual programs.

2. **New/Revised race categories effective fall 2008.**

Asian/Pacific Islander category is discontinued. The first page of statistics for all sections are expanded as of fall 2015 to include non-minority races (e.g. international, Unknown and White).

3. **Full-time enrollment calculations:**

Undergraduate  $\geq 12$ , Masters  $\geq 9$ , Doctorate  $\geq 6$ . **Part-time enrollment calculations:** Undergraduate  $< 12$ , Masters  $< 9$ , Doctorate  $< 6$ . **IBHE FTE calculations are as follows:**  
1 FTE = 15 SCH for an undergraduate student and, 12 student credit hours (SCH) for a graduate student.

**Additional Information:**

Beginning with the fall 2014 term GSU FTE is no longer included in the PAM. We have provided the calculations for your convenience.

**GSU FTE calculations are as follows:** 1 FTE = 12 SCH for an undergraduate student, 9 SCH for a graduate student and 6 SCH for a doctorate student.

**Effective fall 2015 the PAM no longer provides a cross-tabulation of headcount statistics.**
