3-yr. Average	
Previous Fall	
<i>Cost/SCH</i>	Within 33% of state mean for the major
3-yr. Average	
<i>Number of Degrees Awarded</i>	Stable or increasing
3-yr. Average	
Previous Fall	

- **Status 2 - Marginal or Phase Down**

Variables	Criteria
<i>Number of Majors</i>	Less than 25 majors (less than 10 in concentrations)
3-yr. Average	
Previous Fall	
<i>SCH Productivity</i>	Decline of $\geq 33\%$ in a 3-yr. period
3-yr. Average	
Previous Fall	
<i>Cost/SCH</i>	More than 33% above or below state mean for the major
3-yr. Average	
<i>Number of Degrees Awarded</i>	Decline of $\geq 33\%$ in a 3-yr. period
3-yr. Average	
Previous Fall	

- **Status 3 - Unsatisfactory or Eliminate**

Variables	Criteria
<i>Number of Majors</i>	Less than 20 majors (less than 5 in concentrations)
3-yr. Average	
Previous Fall	
<i>SCH Productivity</i>	Decline of $\geq 50\%$ in a 3-yr. period
3-yr. Average	

Previous Fall	
<i>Cost/SCH</i>	
3-yr. Average	More than 50% above or below state mean for the major
<i>Number of Degrees Awarded</i>	
3-yr. Average	Decline of $\geq 50\%$ in a 3-yr. period
Previous Fall	

\* These quantitative parameters will serve as a guide in the APRC reviews. Other qualitative factors such as accreditation status, program quality, potential for success, centrality to the mission of GSU or the College to be articulated or augmented by program faculty or academic administration shall be considered in the APRC annual recommendations.
