

Bachelor of Arts in Entrepreneurship

College of Business & Public Administration

Entrepreneurship requires innovation and individuality. At Governors State University, your ideas and concepts drive your studies. The **Bachelor of Arts in Entrepreneurship** encourages you to use your interests and ideas to provide focus to your studies.

Outstanding Preparation

At GSU, you will learn how entrepreneurial knowledge is applied in a variety of ways to different fields. The traditional entrepreneur conceptualizes a new idea and formulates a business plan to further it. The corporate entrepreneur contributes to existing companies by developing new endeavors. Both the traditional and corporate entrepreneur strives to ignite innovation; impact the market, and make a profit. You will also learn about social entrepreneurship and how to use your entrepreneurial spirit and skills to help others and the environment.

Unlimited Potential

Because entrepreneurial behavior is unique to each individual, GSU offers individualization and independence throughout the academic process. You will apply the knowledge gained in class to your own, personalized entrepreneurship plan. This enables you to build the foundation for your own venture, from the ground up, in a guided, supportive environment.

The Bachelor of Arts in Entrepreneurship at GSU provides the training and tools, as well as the guidance and direction you need to pursue your personal entrepreneurial ventures and goals.

Fact

United States needs to change from a manufacturing-based economy to an **entrepreneurial-based economy** (Source: Kauffman Foundation, *On the Road to an Entrepreneurial Economy: A Research and Policy Guide*, 2007).

Assurance of Quality

Accreditation creates the impetus for relevancy and currency of our faculty, programs and courses to best serve our students.
