Seniors Resources

- **American Association for Retired Persons**
  A nonprofit membership organization of persons 50 and older dedicated to addressing their needs and interests

- **Centers for Disease Control and Prevention**
  Health information for older adults.

- **Chicago Department of Senior Services**
  Provides options for an aging society by supporting older persons to live independently in their communities.

- **Chicago Seniors and Caregivers**
  Information and resources for Chicago seniors and caregivers

- **Eldercare Locater**
  The Eldercare Locator connects older Americans and their caregivers with sources of information on senior services. The service links those who need assistance with state and local area agencies on aging and community-based organizations that serve older adults and their caregivers.

- **Elderhostel**
  Discover more than 8,000 learning adventures in all 50 states and more than 90 countries abroad. Elderhostel offers in-depth and behind-the-scenes learning experiences for almost every interest and ability.

- **First Gov for Seniors**
  A gateway to online information, services and resources for seniors.

- **Health and Aging Organizations**
  This online, searchable database lists more than 250 national organizations that provide help to older people.

- **Illinois Department on Aging**
  Helps Illinois seniors live independently in their own homes and communities.
• **Internet Resources on Aging**
  Links from the AARP to more than 900 of the best sites for people age 50+.

• **Low Income Home Energy Assistance Program**
  For many Illinois households, energy costs place a severe and continuing stress on the family's budget. In some instances, the household is forced to make painful decisions regarding which bills to pay and which necessities to survive without. The Low Income Home Energy Assistance Program (LIHEAP) is designed to help eligible low-income households pay for winter energy services.

• **Medicare**
  The official U.S. government site for people with Medicare.

• **Medline Plus**
  Health information for seniors.

• **National Family Caregivers Association**
  The National Family Caregivers Association educates, supports, empowers and speaks up for the more than 50 million Americans who care for loved ones with a chronic illness or disability or the frailties of old age.

• **Plan Well, Retire Well Blog**
  Information on saving and investing your money from the University of Illinois Extension

• **Senior Job Bank**
  The SeniorJobBank is a meeting place for over-50 job seekers and employers seeking their services.

• **SeniorHealth.gov**
  NIH SeniorHealth makes aging-related health information easily accessible for family members and friends seeking reliable, easy to understand online health information. This site was developed by the National Institute on Aging (NIA) and the National Library of Medicine (NLM) both part of the National Institutes of Health (NIH).
- **SeniorNet**
  SeniorNet's mission is to provide older adults education for and access to computer technologies to enhance their lives and enable them to share their knowledge and wisdom.

- **Social Security Online**
  Official website of the Social Security Administration

- **Social Security Retirement Planner**
  This planner provides detailed information about your Social Security retirement benefits under current law and points out things you may want to consider as you prepare for the future.

- **Third Age**
  Focuses on serving the needs of midlife adults -- generally those in their 40s, 50s and 60s -- and those who want to build a genuine relationship with them.

- **Your Retirement Challenge: Are Your Retirement Savings Sufficient?**
  Your How-to-Guide on Saving More for Retirement
