*"...Ms. Blackwell was a novice with teaching upon hiring but excelled as a natural. Ms. Blackwell has a very energetic demeanor and excited to be part of the launch of MJS College. She brought her enthusiasm and clinical expertise to enlighten the students as they consumed her every word. The relationship developed as a win-win for both faculty and students."*

A. Murray, MSN, RN  
Dean, MJS College

*"...completing affiliation agreements timely for clinical placement provided opportunities for many NP students to continue gaining experiences to optimize learning. Your professionalism and guidance sets a professional tone for the program and provides a positive role model for FNP students like myself..."*
