	TOTALS																			

Supervisor's Initials:\_\_\_\_\_

NOTE: If more than one <u>Log of Clinical Clock Hours</u> form is used, calculate the total for each of the nine areas (e.g., Articulation, Fluency, etc.) from each page and enter these totals onto the <u>Semester Summary of Clinical Clock Hours</u> form in the appropriate column. Please make sure that total additions are correct. Any errors in calculations will not be credited toward the total clock hours required for graduation and will be returned.
