Practicum Project Sequence

Student's Name: _____ Term: _____

Practicum Site: _____ GSU Supervisor: _____

I anticipate that I will be conducting the research project during this practicum:

_____ Special Populations _____ Public School _____ Medical

I will follow the guidelines outlined below. I understand that failure to comply with these procedures may delay or jeopardize my ability to successfully complete the project.

1. I will discuss my project proposal with my on-site supervisor and my GSU supervisor.
2. After these discussions, I will develop a written proposal and share it with my on-site supervisor and GSU supervisor.
3. I will obtain written feedback from my GSU supervisor on the "Practicum Project Proposal Review" form, and make adjustments if needed. I will re-submit the proposal with the suggested revisions.
4. Once approved, the GSU supervisor will sign the Practicum Project Proposal Review, give me a copy, and place a copy in my file.
5. Following this approval, I will initiate data collection and analyze the results.
6. Upon completion of the project, I will present the findings orally to my peers and professors.
7. Upon completion of the project, I will present the findings in writing to the CDIS faculty, following the guidelines of the "Outline for Written Presentation of Practicum Projects."
8. The faculty will review the written project and provide feedback.
