APTA Credentialed Clinical Instructor Program

Program Dates:
June 20 and 21, 2014

Instructors:
Ann Vendrely, PT, DPT, Ed.D.
Jeannette Elliott, PT, DPT, MS

This program is recognized by the American Physical Therapy Association (APTA) as a Credentialed Clinical Instructor Program and is sponsored by Governors State University's Department of Physical Therapy. It takes 15 hours to complete the entire program for CI Credentialing. The Illinois Chapter Continuing Education Committee has approved this course according to the Criteria for Approval of Continuing Education offerings established by the Illinois Physical Therapy Association.

The program addresses issues of planning and preparing for physical therapy students during their clinical education experiences; developing learning experiences and supporting ongoing learning through questioning and effective feedback. Skills of evaluation are discussed, as well as the identification and management of students with exceptional situations. The program closes with a brief look at legal implications for clinical educators, including issues presented by ADA legislation.

The program and Assessment Center will be useful for both new and experienced physical therapists and physical therapist assistants involved with clinical education. While the information presented covers the basic skills for clinical instructors, the interactive tasks, large and small group discussions will be of benefit even to experienced educators.

NOTE: All participants must attend each session in its entirety and complete the Assessment Center to be eligible for credentialing.

About the Instructors

Ann Vendrely, PT, DPT, Ed.D. received a Bachelor of Arts degree in Education from Goshen College, and a Master of Science degree in Physical Therapy from the University of Indianapolis' Krannert Graduate School of Physical Therapy. She achieved distinction as a board-certified Orthopedic Clinical Specialist from the American Board of Physical Therapist Specialties in June, 1998. Dr. Vendrely completed a doctoral degree in education with emphasis on curriculum and instruction and educational psychology from Loyola University Chicago in 2002. She earned a transitional DPT from Regis University in Denver in 2008.

Jeannette Elliott, PT, DPT, MS has been involved in physical therapy education for over twenty one years and has been an APTA Credentialed CI Trainer since 1998. Her experience includes being a CI, CCCE, and ACCE/DCE of a PT and PTA program. She is currently serving on APTA's Clinical Instructor and Education Board which oversees the Credentialed Clinical Instructor Program.

Course Agenda

Friday, June 20, 2014

8 a.m.	Registration
8:30 a.m.	Workshop Begins The Clinician as Clinical Educator Role of the CI Behavioral Objectives
