Dear Prospective Full MSW Program Students,

Thank you for your interest in our Master of Social Work (M.S.W.) Program at Governors State University. Our Social Work Programs are fully accredited by the Council on Social Work Education CSWE, our accrediting body. We are committed to providing excellent, innovative and contextually based preparation for advanced social work professionals. Graduates of our social work programs are highly skilled professionals serving the growing social and economic needs of vulnerable and marginalized families, their children and communities as well as the organizations that serve these communities. Graduates of our M.S.W. Program are prepared to practice social work grounded in a critical social justice ethic. We offer a Master of Social Work in three areas of Specializations: Practice with Children and Families; Practice in Schools and Holistic and Wellness Practice.

The Governors State University Master of Social Work Program prepares advanced social work professionals to serve the needs of those at greatest risk. While we offer both a full-time (2 Year) and two part-time (3 Year and 4 Year) study options, we deliver courses primarily in an evening format more accessible to those employed full-time and seeking advanced professional credentials.
