

**Psychology Admission Checklist
Division of Psychology and Counseling
Governors State University**

We admit students twice a year. Please start the admissions process well before the **March 15th** (Fall admission) or **October 15th** (Spring admission) deadlines. It is your responsibility to begin the process early and to follow up with the various institutions and individuals who must submit supporting documentation. Applications will not be accepted for the Summer semester.

Please include this checklist with your application materials and make sure everything applicable on your list is included in your admissions packet. Mark each box with an “x” or check mark to indicate that the form is included in your packet or is not applicable to your application. Applicants missing any of these materials will be denied admission and/or will have to reapply for the following semester.

The packet can be dropped off or mailed to Governors State University’s Office of Admission.
