JOIN THE FRESHMAN CLASS AT GSU

GSU will give you a strong academic foundation on which to build your college career and your life after graduation. During the first two years of your bachelor’s degree program, you will participate in a themed general education program focused on:

- Civic Engagement;
- Global Citizenship; or
- Sustainability

You will take at least three classes with the same group of students, which encourages shared learning, lasting friendships and greater academic success. Class sizes are small and taught by university faculty; not teaching assistants.

YOUR SUCCESS IS OUR GOAL.
