

Student Success Workshops

To fully comply with your Academic Recovery Plan, you must attend a total of four workshops and have one meeting with your advisor. As you review the enclosed workshop schedule, please choose at least one writing workshop and three other workshops of your choice. While you can meet with your academic advisor at your convenience, please consider meeting with your advisor to help you choose workshops that will help meet your specific needs.

To certify you have completed the requirements for your Academic Recovery Plan, please return this worksheet to Amy Comparon in room B1215, (708.235.2864).

Name: _____ Advisor: _____

Student Success Workshops:

Please list the Student Success Workshops you plan to attend based on your goals and consultation with your advisor.
