### Blackboard Tutorial

The Center for Online Teaching and Learning provides a face to face workshop to assist students with Blackboard questions and concerns.

### Career Services: How to Find Campus Employment

On-campus student employment is a great opportunity to gain professional experience while making connections in a part-time paid position. Employment is available in multiple departments and in a variety of roles. Come to this session to learn about different types of employment, how to apply and follow up on an application, as well as explore other ideas for gaining experience during one's education.

### Center for the Junior Year

Students are invited to learn about GSU's innovative Center for the Junior Year (CJY) and their Peer Success Coaches. The CJY will help you explore your passions and ensure you are on the right path to your desired career.

### Financial Aid: Learning the GSU System

Come learn how to apply for federal, state and institutional financial aid. Topics discussed include: when and how to apply, what you might be eligible to receive, exploring all your options and borrowing responsibly.

### Honors Program

Learn how the GSU Honors Program can be an excellent opportunity to enhance your academic experience. This session will discuss program requirements for the HP Points Curriculum, program benefits, and maximizing your educational experience.

### Information Technology Services:

#### Microsoft Office 365

Did you know that you have free access to the web version of Microsoft Word, Excel, Power Point and One Note through your GSU student email account? Did you know that your email account includes 7GB of storage for your documents and files? This demo will introduce you to the web applications of Office 365 and your SkyDrive.

### myONECARD, Housing, Dining & Bookstore Services

The myONECARD, dining services and the GSU bookstore can make every student's life a little easier. Come hear how these areas will help you be a successful GSU student.

### Navigating Your Library's Website

This session provides an overview of online library resources. Topics include selecting appropriate databases, using the I-Share catalog, searching tips and strategies, and time for Q&A.

### Self-Advocacy: Know How to Get What You Need and Want to be Successful

The Director of Disability Services will lead a discussion about how college students can become their own advocate. This workshop will be an introduction to self-advocacy skills specifically for students with disabilities. The goal is to give you strategies for how to take a proactive role in the management of your college experience. Learn how to advocate for your learning needs by communicating about your accommodations, not your disability.

### Get Involved! Be a Leader!

This workshop will discuss opportunities to get engaged in the university from joining a club to student governance. Come to this workshop to receive all the trade secrets to enhancing the educational experience and releasing the leader in YOU!

### Veterans Resource Center

Meet in the Hall of Governors near the check-in table to meet other veterans on campus and introduce yourself to the Coordinator of Veteran Services. The Veterans Resource Center is where you can go on campus to enjoy a quiet spot you can call your own and learn about your educational benefits.

## College Major/Program Information Sessions & Networking

Students in each College are invited to meet their College Dean, academic advisors, faculty, and future classmates. This is a great opportunity to begin networking and building relationships with others in your College. Light refreshments will be provided.
