

GSU LIBRARY CONTACT INFORMATION

DEAN OF THE LIBRARY

Lydia Morrow Ruetten

Library Office, D2419
708.534.4110 lruetten@govst.edu

I welcome you to visit the GSU library; we are your partners in achieving academic excellence. As your information and research resource 24/7, all GSU librarians and staff are here to assist you. I invite you to contact your subject liaison librarian or myself should you have any questions.

708.534.4137 swagh@govst.edu

College of Arts and Sciences

Biology, Chemistry, Environmental Biology, Mathematics

College of Health and Human Services

Occupational Therapy, Physical Therapy

LIBRARY SERVICES FOR GSU STUDENTS

LIBRARY HOMEPAGE

- www.govst.edu/library
- Or from GSU homepage select Current Students/Library
- Or from myGSU portal, under Quick Links select Library

LIAISON LIBRARIAN SERVICE

- Our faculty librarians work as liaisons to GSU degree programs. Each librarian is a subject specialist for specific disciplines. When you need assistance with resources for research or assignments make an appointment with the liaison librarian for your discipline.
- Your liaison librarian can be found on the library's website under Library Faculty or Research Guides.

ONLINE RESEARCH TOOLS

- Librarian-created Research Guides (LibGuides) help you identify appropriate databases for your discipline and provide additional resources and information. These guides are the starting point to discover the best databases for your research topic or discipline subject.
- The Library Catalog (I-Share Voyager) is an online tool to locate books, e-books, videos, and course reserves in the GSU Library. Creating an I-Share user account lets you request books from other libraries and renew books you have checked out.
- The Journals Search/Find a Journal link lets you see if a specific journal is in a database or in our print serials collection.
- The Databases A-Z Guide is a descriptive, alphabetical listing of databases for journals, specialized publications and other electronic resources.

INSTRUCTION SERVICES

- Our instruction services teach skills and concepts needed to find scholarly resources, search databases, and use other academic applications for research or assignments.
- More information can be found on the myGSU library page by selecting Services/Instruction or Events/Workshops.
- We offer course-related instruction. Ask your professor to request library instruction for a whole class.
- We offer individual and group sessions. Students can request one-on-one instruction with a librarian, or request a customized session for a group of students.
- We offer workshops. All students are welcome to attend library workshops.

REFERENCE, CIRCULATION, RESERVES, AND INTERLIBRARY LOAN SERVICES

- Librarians and Senior Library Specialists are available at the Reference Desk to assist you whenever the library is open, **708.534.4111** or library@govst.edu. For in-depth research consultations, contact your liaison librarian.
- Circulation, Reserves, Interlibrary Loan. Contact assistance for these services can be found on the Library Contact Us page.
- Bring your current GSU ID card to check out circulating and reserve materials at the Circulation Desk.
- Books not available at GSU or I-Share libraries can be requested through interlibrary loan (ILL). The ILL request form is accessed in your portal.
- Journal articles not available in our databases or print collection can be requested through ILL. The ILL request form is accessed in your portal.
