Using the space provided respond to the following two questions:

1. Define the word leadership using a maximum of 20 words.

2. In the space provided (maximum 400 words) respond to the following scenario and questions.

About 1.6 million (25%) of all car accidents involve texting while driving. It is the number one driving distraction reported by teen drivers (NTSA, 2012). What would you need to know to develop a solution to help stem the growing epidemic? Based on your response to the first question, what is one solution you can suggest that could help reduce the number of accidents that occur from texting while driving?
(MAXIMUM LENGTH IS 400 WORDS. CONTINUE TO PAGE THREE IF EXTRA SPACE IS NEEDED.)
