Your Social Security Number (SSN) is requested pursuant to Public Law 93-579 for the University's system of student records, as well as for compliance with federal and state reporting requirements. An SSN is required if you are applying for financial aid but is not required for admission to the University. Providing an SSN will, however, speed up the processing of your application since we will not need to manually match your application with other materials such as transcripts and test scores. Supplying an SSN ensures that you will be able to claim the Hope Tax Credit, if you are eligible, on your federal tax return. The University has a strong commitment to ensuring the privacy and confidentiality of student records and will not disclose your SSN without your consent for any purpose except as allowed by law.
