

Food Cravings

May 2015

From the Director's Desk...

- Congratulates to the GSU students receiving their doctoral degrees!
- Apple Pie Day will feature the classic dessert!.
- Congratulations to all graduates!
- On Chocolate Chip Cookie Day, get a free cookie with the purchase of a coffee (while supplies last).
- Wishing all students a safe, fun and happy summer!

Did you know???

Strawberries are part of the rose family, the only fruit with seeds on the outside, and average 200 seeds per berry. Native Americans introduced the Colonists to strawberries. The crushed berries were mixed with cornmeal and baked into bread. After trying this bread, Colonist developed their own version of the recipe and created Strawberry Shortcake.
