Student Affairs and Enrollment Management: Reaching Vision 2020

Focus Area: CAREER SERVICES

Leader(s): DARCIE CAMPOS

Implementation Year: 2018-19

GOAL 1: Create, promote and navigate undergraduate students through a Four-Year Career Development Plan (Four Year Career Compass) from freshman to senior year with an emphasis on fully preparing students to define their career goals and ensuring they are career ready professionals by graduation.

Objective 1:	Increase the number of students that are utilizing the 4-year career compass and research ways in which we can more effectively track the use of the compass and its effectiveness.
Action Items	<ul style="list-style-type: none"> • Research options to move the 4-year career compass from a self-managed model to a more automated system for tracking and assessment purposes. • Continue to integrate the 4-year compass throughout OH days, orientation, and mini workshops. • Maintain network of faculty and advising professionals from across campus to ensure four-year career development plan continues to reflect timely steps towards degree completion and obtaining a career position in one's respective field. • Create a 4-year career compass pathway option for the AIM High scholarship initiative.
Desired Outcomes and Achievements (Identify results expected)	To have students better educated about the four-year career compass and how it will elevate their overall success if they adhere to each year.
