PROFESSIONAL EXPERIENCE

2013-Present Chair, Division of Accounting, Finance, Management Information Systems, & Economics, College of Business, Governors State University, University Park, IL
[AACSB Accredited]

Program Coordinator, Master of Science in Management Information Systems

Direct report to the Dean of the College of Business. Engage with the college advisory board, program coordinators and faculty to set strategic priorities for programs in the division and college. Lead accreditation activities and create reports in assurance of learning, faculty and student development, strategic management, and curriculum management. Serve as a member of all college committees. Work cooperatively with university and college assessment committee, admissions processing and enrollment management, career services, general education council, and institutional research and effectiveness. Collaborate with student organizations to host professional events focused on the accounting profession, CPA Exam, successful alumni, technical certifications, mock interviews, and professional organizations focused on women and minority students. Supervise and evaluate 15 full-time faculty members; 3 part-time faculty; and one support staff member. Collaborate with faculty to develop curriculum. Create annual work assignments for faculty. Schedule 200+ fall/spring/summer course sections annually in accounting, business law, economics, finance, and MIS. Coordinate the Master of Science in Management Information Systems Program; leading 100% increase in MSMIS headcount from 2014-2016. Led implementation of new student organizations including National Association of Black Accountants. Administer the college web site. Create and distribute data reports for college constituents. Manage a division budget of over \$1.8 million. Serve on all division faculty search committees and evaluate adjunct instructors. Teach graduate courses in information systems, business analytics, and information security.

TEACHING

Graduate Teaching Experience:

- CIS 642 – Systems Security (MSU), MBA/MSIS Course
- CIS 650 – Innovation, Information Technology, & Organizational Change, MBA/MSIS Course
- CIS 670 – Directed Research (MSU), MBA/MSIS Course
- CIS 699 – Human Computer Interface (MSU), MSIS Course
- CS 842 – Business Intelligence (CT), Doctoral Seminar
- MIS 5000 – Business Analytics Tools and Applications
- MIS 580 – Information Security (GSU), MSIS/CS Course
- MIS 581 – Information Security Policy and Management (GSU), MSIS/CS Course
- MIS 7101/800 – Management Information Systems (GSU), MBA Course
- MIS 7201/801 – Systems Analysis & Design (GSU), MSIS/MBA Course
- BA 548a – Doctoral Seminar in Management Information Systems (SIU), Ph.D. Seminar (Guest Lecturer)
- BA 560 – Management Information Systems (SIU), MBA Course (Guest Lecturer)

Undergraduate Teaching Experience:

- BLAW 2100 - Business Law I
- BIS 320 – Web Technologies and Information Architecture – Usability (MSU)
- CIS 101 – Computers for Learning (MSU)
- CIS 200 – Logic & Design of Computer Programs (MSU)
- CIS 205 – Introduction to C++ Programming (MSU)
- CIS 305 – Advanced C++ Programming
- CIS 399 – Online Social Networks (MSU)

- MGMT 170 – Introduction to Business (SIU)
- MGMT 208 – Business Statistics (SIU)
- MGMT 304 – Introduction to Management (SIU)
- MGMT 362 T.A. – Programming with Microsoft Visual C#.net (SIU)
- MGMT 422 T.A. – Web Programming with ASP.net (SIU)
- MIS 301 – Basics in Information Technology (GSU)
- MIS 3201 – Systems Analysis (GSU)
- MIS 4999 – Information Systems Project Management (GSU)
- OLP 3613 – Systems Approach to Organizational Change (MCU)
- OLP 4243 – Policy and Strategy Issues for Organizational Leaders (MCU)

Course Development:

Designed, implemented, and updated business computing courses at the undergraduate and master's levels for both traditional and online classes. Designed significant degree program revisions in the MS in Management Information Systems and MIS Concentration. Developed new undergraduate degree programs in economics. Introduced degree revisions for the BS and MS in Accounting programs to meet the revised educational requirements for the CPA Exam in Illinois in 2013.

Mentoring:

Continuing mentoring of graduate and undergraduate students with respect to developing their research and professional skills.

- Member of steering committee for GSU's Student CEO Leadership Program, a leadership program designed for offers and leaders in student organizations.
- Designed and led workshops on financial leadership within student organizations.
- Group mentor leader for GSU Student CEO Leadership Program, 2014-2015.
- Supervision of Graduate Assistants – MBA; MS.Accounting; MS.MIS
- Acceptance of master's students into Ph.D. programs (University of Wisconsin Milwaukee; Illinois Institute of Technology)
- Student co-authored presentations at conferences (DSI) and campus research day.
- Graduate Thesis/Project Committee Member:
 - Sheree Sanderson (GSU) – Ed.D. in Interdisciplinary Leadership
 - Jim Rink (GSU) – Ed.D in Interdisciplinary Leadership
 - Jeffrey Jenkins (GSU) - MS in Computer Science - Searchable Antitrust Library for the American Bar Association
 - Sandeep Shetty - MS in MIS - Modeling University Business Processes for Degree Audit System Implementation - Chair
 - Taras Bilyk (GSU) - MS in MIS
 - Darla Hunt (MSU) – MS in IS
 - Michelle Catlett (MSU) – MS in IS – Chair
