The Lincolnway Area Business Women's Organization

Our club was formed in the 1970's to support the interests of business women and to improve the status of women in the business world. We also wish to extend opportunities to business women through education.

Providing scholarship funds to graduating seniors and women going back to school is the main purpose of the club. We provide as many scholarships as possible through our fund raising activities.

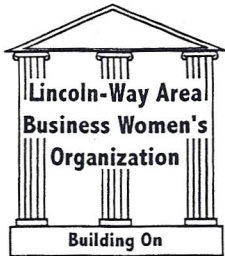

Please review enclosed material and forward on to the appropriate applicants.

Thank You

Sincerely,

Cheryl Colanto
