Inspire Hope,
Realize Dreams, Strengthen Community

A Strategic Plan
2009-2015

The GSU Mission:

Governors State University is committed to offering an exceptional and accessible education that imbues students with the knowledge, skills, and confidence to succeed in a global society.

GSU is dedicated to creating an intellectually stimulating public square, serving as an economic catalyst for the region, and being a model of diversity and responsible citizenship.

As a learning community, GSU remains committed to serving the needs of the traditionally underserved and returning adults in higher education in the south metropolitan region of the Chicagoland area.

Core Values

- ***Provide Opportunity and Access***
At GSU, those traditionally underserved by higher education and residents of our surrounding communities have access to a first-class public education.
- ***Serve as an Economic Catalyst***
At GSU, we are committed to the citizens of the State of Illinois and our region to serve as an economic catalyst, so that our communities grow and flourish.
- ***Prepare Stewards of our Future***
At GSU, we are committed to preparing our students to thrive in the global economy and to contribute to the ongoing stewardship of the environment.
- ***Demonstrate Inclusiveness and Diversity***
At GSU, we embrace diversity among students, staff, and faculty as well as members of the broader community, and we encourage acceptance of wide-ranging perspectives.
- ***Promote Quality of Life***
At GSU, we value an atmosphere that fosters a capacity to enjoy life through the fine arts and humanities, marketable skills and attitudes for employment, supportive interpersonal relationships, and participative and informed citizenship.

“The integration of public art with the university symbolically defines what I call the University as Public Square: a place inspiring engagement with the aspirational values of our diverse cultures; a place where the city and nature meet; a place where education is a life-long process in a publicly shared environment.”

President Elaine P. Maimon, Ph.D.
Installation Speech, November 2007

President Elaine P. Maimon, PhD.
