Notice

Information in this catalog is subject to change and does not constitute a contract or warranty that the university will continue indefinitely to offer the program in which a student is enrolled. The university expressly reserves the right to change, phase out, or discontinue any policy or program. Such changes take precedence over catalog statements.

Updates to this catalog will be found on the web version at www.govst.edu/catalog.

This catalog is for the 2009-2011 academic years. Students should keep the catalog for referral throughout their academic career. Students who first enroll at Governors State University during the 2009-2011 academic years must fulfill the requirements stated in this catalog and its updates published each academic year online, as applicable, or they may elect to substitute the requirements in any subsequent catalog published while they are enrolled in the university. A student must, however, meet the requirements from one catalog only, rather than choosing a portion from one catalog and the remainder from another.

The catalog is posted on the GSU website at www.govst.edu/catalog.

Affirmative Action Statement

Governors State University is an affirmative action/equal employment opportunity university which administers its educational and employment programs in compliance with federal, state, and local laws and does not discriminate on the basis of race, color, national origin, religion, gender, ancestry, age, sexual orientation, marital status, disability, citizenship, unfavorable discharge from military service, or veteran status.

Governors State does not discriminate against students for observing religious holidays and will reasonably accommodate the religious observance of individual students regarding admission, class attendance, and the scheduling of examinations and academic work requirements. Students seeking such accommodation should contact the Diversity Officer in the Human Resources Department for assistance.

The general university phone number is 708.534.5000. The GSU website address is www.govst.edu.

GENERAL INFORMATION

History

Governors State University was chartered by the Illinois General Assembly in 1969. It serves undergraduate transfer students and those seeking master's and doctoral degrees.

The university's main campus is located in University Park, 35 miles south of Chicago and is easily accessible by car or commuter train. The campus is located on 760 acres of wooded landscape with several lakes and nature trails. It includes the internationally renowned Nathan Manilow Sculpture Park.

The curricula of the university are offered through four colleges: the College of Arts and Sciences, the College of Business and Public Administration, the College of Education, and the College of Health and Human Services.

Mission

Governors State University is committed to offering an exceptional and accessible education that imbues students with the knowledge, skills, and confidence to succeed in a global society. GSU is dedicated to creating an intellectually stimulating public square, serving as an economic catalyst for the region, and being a model of diversity and responsible citizenship.

Accreditation

Governors State University is accredited by the Higher Learning Commission of the North Central Association of Colleges and Schools. The university is also a member of the Illinois Council of Baccalaureate and Higher Degree Programs. Each program is accredited by a professional accrediting agency in each case where there is a national accreditation body.

Governance of the University

A seven-member board appointed by the governor of Illinois governs this university. One student serves as a member of the Board of Trustees. The president of the university is responsible to the Board of Trustees for the operation and general welfare of the university. The provost/academic vice president has general responsibility in the areas of academic personnel and programs. Governors State University's four colleges are directly administered by their respective deans.

Faculty, civil service staff, and students participate in university affairs through membership on the Faculty Senate, Civil Service Senate, Student Senate, and academic and administrative committees. These groups consider and recommend policies and procedures to the president.

Academic Year

The Governors State University academic calendar offers 15-week Fall and Spring terms and an 11-week Summer term. The Fall 2011 term begins August 22, 2011 and ends December 4, 2011. The Spring 2012 term begins January 17, 2012 and ends May 6, 2012. The Spring term includes a one-week Spring Break during which classes will not be in session, though the University will be open for other business.

The Summer 2012 term begins May 21, 2012 and ends August 5, 2012.

For more detailed information about the calendar, visit www.govst.edu/term.

Alumni Association

All graduates will receive a basic membership in the Alumni Association. Recent graduates receive a one-year free premium membership in the Alumni Association upon graduation. Thereafter, membership will be extended to alumni who donate \$50 or more to the GSU Foundation earmarked for use by the Alumni Association. Lifetime memberships are also available.

Below is a list of some of the premium benefits:

- Center for Performing Arts - 15 percent discount ticket price. (Discount only applies to events sponsored and promoted by The Center for Performing Arts.)
- Campus Recreation and Fitness Center - almost a 50 percent reduction in the membership fee.
- In-library use of library resources, including check-out privileges of printed materials and some media items.
- Access to the Academic Computing Lab Services.
- On-campus use of GSU's Cyber Café, with access to Internet, e-mail, and MS Office (Access, Excel, PowerPoint, and Word).
- Voting privileges and the right to hold office in the association.
- Discounted admission on selected Alumni Association sponsored events.
- Membership in Alumni Clubs of your choice.

For more information about alumni membership, call the Alumni Office at 708.534.4128.

Alumni Programs and Activities

A wide range of programs and activities are offered to alumni throughout the year. Educational workshops and seminars are conducted. Alumni and their families are also invited to attend several social, cultural, and recreational activities. Some of the special events include cruise outings, tickets to sporting events, and plays. The Alumni Association's various clubs sponsor programs and events designed to help alumni connect and network with fellow alumni with similar majors and/or similar professions. The alumni travel program offers trips to Europe and elsewhere. An alumni newsletter is published twice a year with special emphasis on alumni accomplishments. Upcoming alumni events are announced in the newsletter, as are university news-related updates.

ADMISSION INFORMATION

Admission to the University

Governors State University encourages applications from qualified students of all cultural, racial, religious, and ethnic groups. Applicants for degree programs are admitted directly into the major in which they are seeking a degree. Application forms and other information needed for admission to the university may be obtained by writing to:

Office of Admission and Student Recruitment
Governors State University
1 University Parkway
University Park, IL 60484-0975

You may call 800.GSU.8GSU for information. The admission's website address is www.govst.edu/admission. Admission documents sent in support of applications are not returnable or transferable.

ADMISSION POLICY FOR VETERANS

Veterans who have completed 60 credit hours of college credit may apply to Governors State University. The application fee will be waived upon receipt of an application accompanied by a copy of the form DD 214. Applications, transcripts, and other documentation can be mailed or dropped off in the office of the Coordinator for Veterans and Military Personnel.

UNDECLARED/NON-DEGREE SEEKING

Undergraduate Undeclared Students

Students who have not completed a bachelor’s degree from any college or university and who have not declared an undergraduate major may fit in this category.

Students in this classification:

- are not eligible for university administered financial aid;
- will be assigned a counselor in the Academic Resource Center. Undeclared students who have not decided on a career path will receive career counseling from their counselors and develop a program of course work that will facilitate the career decision-making process. Once a career decision is made, the student will apply to a degree program. Upon admission, an academic/faculty advisor will be assigned and a study plan completed;

- must participate in New Student Online Orientation/ Directed Self-Placement before registration;
- who choose not to seek a degree at GSU must change their status to a non-degree seeking student; and
- if after registering for 18 credit-hours and have not been admitted to a major will automatically be converted to non-degree seeking.

Course work completed in this status may or may not be applicable to a major, subject to approval by the advisor and appropriate dean.

Requirements-Applicants must:

1. have earned (or will have earned by the term they wish to enroll) an associate of science or an associate of arts degree from a regionally-accredited post-secondary institution; OR have earned (or will have earned by the term they wish to enroll) at least 60 credit hours (or 90 quarter-hours) of credit from a regionally-accredited institution of higher education with at least a "C" average (2.0 on a scale of 4.0) in any 60 credit (or 90 quarter) hours;
2. be in good academic standing at the last institution attended; and
3. submit the non-refundable \$25 application fee.

To apply: Submit an application, the application fee, credentials, and official transcripts from the post-secondary institution, which demonstrate meeting criteria 1-2 above directly to the Office of Admission and Student Recruitment.

Deadlines: Most programs are on a rolling admission basis. Students are strongly encouraged to apply early.

Undergraduate Non-Degree Seeking Students

Students who have not completed a bachelor's degree from any college or university and who do not intend to earn a degree may fit into this category.

Course work completed as a non-degree seeking student is not applicable to any degree offered by GSU, except by written exception by the dean of the appropriate college.

Students in this classification are not eligible for university administered financial aid. Applicants must submit the non-refundable \$25 application fee.

Requirements-Applicants must have earned an associate of arts or an associate of science degree from a regionally-accredited institution or have earned at least 60 credit (or 90 quarter) hours of credit with at least a "C" average (2.0 on a scale of 4.0) from a regionally-accredited institution.

Graduate Non-Degree Seeking Students

Students with bachelor's or higher degrees from a regionally-accredited institution who do not intend to earn a degree at Governors State may fit this category.

Course work completed as a non-degree seeking student can only transfer six (6) hours to any degree offered by GSU, except by written exception from the dean of the appropriate college.

Students in this classification are not eligible for university administered financial aid.

Requirements-Applicants must:

1. have at least a bachelor's degree from a regionally-accredited institution; and
2. submit a \$50 application fee.

CERTIFICATE STUDENTS

Students not currently enrolled at GSU, who want to earn a certificate fit this category. Applicants must:

1. provide evidence of 60 hours of college credit, or a bachelor's degree or higher from a regionally-accredited post-secondary institution based on the certificate classification;
2. be in good academic standing at the last institution attended;
3. have satisfied any applicable collegial and/or major admission criteria for the certificate program for which they are applying. Please refer to the information related to specific major areas of interest in this catalog for special collegial and/or major admission criteria and additional credentials which may be required; and
4. if a bachelor's level student, must submit the non-refundable \$25 application fee and if a graduate level student, must submit the non-refundable \$50 application fee.

To apply: Submit an application, the appropriate application fee, credentials, and official transcripts from the post-secondary institution, which demonstrate meeting criteria 1-3, to the Office of Admission and Student Recruitment.

CERTIFICATE PROGRAMS WITH SPECIAL ADMISSION REQUIREMENTS

The certificates listed below have special admission criteria beyond the general university requirements. This could include additional materials and/or application deadlines. Please refer to the specific certificate sections in this catalog for the criteria and deadlines.

UNDERGRADUATE SPECIAL NON-DEGREE SEEKING STUDENTS

This applies to students who have not earned 60 credit-hours and intend to enroll at for a workshop, seminar, or other university activity.

Course work completed as a special non-degree seeking student cannot be used for the purposes of meeting admission criteria, but may be applied to the degree requirements once admitted to the university. Students may earn no more than 15 credit-hours in this classification.

To apply: Submit an application to the Office of Admission and Student Recruitment; complete the special non-degree seeking petition form and send it to the Office of Admission and Student Recruitment with the appropriate signatures; and submit the non-refundable \$25 application fee.

INTERNATIONAL STUDENTS

An international student or applicant is a citizen of a country other than the United States:

1. who is authorized to stay in the United States for a temporary period as a non-immigrant, or
2. who has applied for a change of status to become a permanent resident of the United States but has not been issued an alien registration card effective as of the date classes begin for the semester in which they are enrolled. Please see page 13 for additional information.

International students are eligible for admission to degree programs but may only be admitted as non-degree seeking students if pursuing a degree at another institution. That institution must provide written verification of enrollment in a degree program.

GSU is authorized under federal law to enroll non-immigrant alien students studying under an F-1 visa. Although applicants on J-1 visas may enroll, the university does not participate in the exchange visitor program and is not authorized to issue form DS-2019, which is required to extend the J-1 visa status.

Applicants on F-1 visas, or any other temporary visas, are not eligible to be classified as residents of the State of Illinois for tuition purposes, regardless of actual length of residence in the State of Illinois.

The applicant on an F-1 student visa must plan to pursue a full-time program of academic study at Governors State University (nine credit-hours per term for master’s degree students and 12 credit-hours for undergraduates).

Early application is essential to allow for review of documentation and for entry visa processing. All transcripts, letters, and other admission material become the property of GSU.

NOTE: Governors State University requires that all F-1 students have adequate health insurance.

REQUIREMENTS FOR ADMISSION

Applicants must:

1. submit satisfactory educational records;
2. submit official TOEFL report with one of the minimum acceptable score on the Test of English as a Foreign Language (TOEFL) listed below or complete coursework from ELS Education Services Inc.’s Language Centers (ELS). For this option, students must complete through a minimum level of 112.

For the TOEFL, a minimum acceptable score is as follows:

Type of TOEFL Test	Undergraduate	Graduate
Paper-based	500	550
Computer-based	173	213
iBT (internet-based testing)	Reading 19 Writing 16 Listening 18 Speaking 15	Reading 20 Writing 20 Listening 20 Speaking 20

Type of TOEFL Test	Doctoral
Paper-based	577
Computer-based	233
iBT (internet-based testing)	Reading 20 Writing 24 Listening 21 Speaking 26

- provide evidence of financial support to meet all financial needs for the duration of their studies at GSU.

HOW TO APPLY FOR ADMISSION

Applicants must:

- submit an application for admission as a degree-seeking student;
- submit evaluation of academic credentials. Official foreign credentials must be evaluated by Educational Credential Evaluators (ECE) in Milwaukee, Wisconsin or by any other NACES (National Association of Credential Evaluation Services) member organization. Applicants who would like transfer credit for prior coursework should request a “course-by-course” evaluation report. Applicants who are seeking graduate program admission with no transfer credit should request a “general” evaluation report. For more information, please contact the Processing Office at 708.534.4510.
- for undergraduate students only, submit the non-refundable \$25 application fee;
- for master’s degree students only, submit the non-refundable \$50 application fee;
- for doctorate students only, submit the \$75 non-refundable application fee
- submit official TOEFL score report or evidence of successful completion of ELS; and
- submit evidence that adequate funds are available to meet all financial needs for the duration of studies at Governors State University. All information must be in exact U.S. dollar amounts.

Additional Information

F-1 visa students who wish to transfer to Governors State University must submit a copy of the current school I-20 form, transcript, or a letter from the current school showing dates of enrollment and eligibility to transfer.

The Office of International Services is available to assist students in obtaining visas and legal documents.

Additional information is available on its website at www.govst.edu/internationalservices.

Since the university is a commuter institution, students are responsible for arranging their own housing and transportation to and from the campus. Many students live in the immediate area or in Chicago and commute either by car or train to Governors State University. For further information, please contact the Office of International Services.

Supplemental Admission Information

Deferred Admission/Enrollment

A student may defer his or her admission/enrollment one time per admission application, not to exceed one year from the original admission term. For example, if a student applies for Fall 2011 admission, he/she may update his/her admission one time, to a future term as far in the future as Fall 2012. International students are allowed to defer their enrollment twice per admission application, not to exceed one year from the original term of application. After one year, a new admission application is required.

Readmission

Reapplication and readmission to the university is required if a student:

- has completed a degree at GSU and wishes to reenter into another major, into undeclared/non-degree-seeking status, or into a certificate program;
- has been admitted as an undeclared/non-degree-seeking student and is seeking admission to a major or into a certificate program; or
- has lost continuing student status as defined by university policy.

Commencing with Fall 1997 and for any subsequent term, students are subject to the new continuing student status policy, with the exception of students enrolled in accredited programs where accreditation requirements would prohibit reactivation of a student’s active status.

The policy states that students whose enrollment is interrupted for three or more consecutive terms must contact their advisor to be reactivated before enrollment, with the exception of students enrolled in accredited programs where accreditation requirements would prohibit reactivation of a student's active status.

Any student whose enrollment is interrupted for five or more years (15 or more consecutive terms) must reapply through the Office of Admission and Student Recruitment and will be subject to any new admission and curricular requirements.

With regard to accredited programs, the reactivation of a student's status is determined on a program basis. Five programs, Master of Arts in Counseling, Master of Occupational Therapy, Master of Social Work, Bachelor of Social Work, and Doctorate in Physical Therapy have specific requirements. Occupational Therapy requires that students who have not been enrolled for one year (three consecutive terms, including Summer) must apply for readmission to the M.O.T. program. Master of Social Work requires that students who have not been enrolled for three years (9 consecutive terms, including Summer) must apply for readmission to the M.S.W. program. Master of Arts in Counseling requires that students who have not been enrolled for more than one year (four consecutive terms, including Summer) must apply for readmission to the Counseling program. Bachelor of Social Work requires that students who have not been enrolled for three years (nine consecutive terms, including Summer) must reapply for admission. Doctorate of Physical Therapy requires that students who have not been enrolled for more than one year (four consecutive terms, including Summer) must apply for readmission to the D.P.T. program; and

4. is seeking a level change, i.e., from undergraduate to graduate status or from graduate to undergraduate status.

Special Admission (New and Readmission)

1. Applicants not meeting one or more of the published minimum university or program criteria for admission and/or who fall into one or more of the categories cited below must petition for admission under the Policy on Readmission and Special Admission:
 - a. Applicants who are not in good standing at the last institution attended. (Applicants who have been suspended/dismissed may petition for admission for a term no earlier than one year from the date of suspension/dismissal, including Summer.)
 - b. Undergraduate applicants with less than a 2.0 grade point average on a 4.0 scale for at least 60 hours of earned college credit, regardless of academic

standing at the last institution attended.

- c. Undergraduate applicants who have earned at least 54, but less than 60 hours of college credit.
 - d. Applicants seeking admission based on credit/degree(s) earned from a nonregionally-accredited institution(s).
2. Applicants not in good conduct standing at the last institution attended must petition the Associate Vice President for Student Affairs/Dean of Students for admission through the Policy on Readmission and Special Admission.
 3. Students on probation and who have lost continuing student status must petition for admission under the Policy on Readmission and Special Admission.
 4. Students on their first academic suspension must petition for readmission under the Policy on Readmission and Special Admission.
 5. Students twice suspended from the university for academic reasons will not be considered for readmission to the university at any later date.

Additional information regarding special admission opportunities and petitions for admission are available from the Office of Admission and Student Recruitment or on its website at www.govst.edu/admission.

Dual Degree Program

Under special agreement between Governors State University and area community colleges, students may be eligible to participate in a Dual Degree Program. Dual Degree Program students complete their Associate degree at a partner community college and transfer to GSU for their upper-division courses to complete in their Bachelor's degree program. Students who are interested in participating in the Dual Degree Program are encouraged to contact their counselor at their community college. The benefits of Dual Degree Program include working closely with advisors from both institutions, participating in student life at both institutions, and specific tuition discounts. Dual Degree Program students are provided with the services from both institutions to help ensure that they make a seamless transition from their community college to Governors State University. For more information, please contact Jose Reyes, Director of Dual Admission and Transfer Coordinator, at 708.534.4494.

English Language Proficiency Requirement

The university wishes to ensure that applicants have attained sufficient mastery of the English language necessary to achieve academic success.

All applicants for degree programs whose primary (native) language is not English and who submit credentials from a non-English speaking institution of higher education to meet admission requirements must provide evidence of having attained a minimum acceptable score on the Test of English as a Foreign Language (TOEFL) or completed course work from ELS Education Services Inc.'s Language Centers (ELS). For ELS, students must complete through a minimum level of 112.

For the TOEFL, a minimum acceptable score is as follows:

Type of TOEFL Test Undergraduate Graduate

Paper-based	500	550
Computer-based	173	213
iBT (internet-based testing)	Reading 19 Writing 16 Listening 18 Speaking 15	Reading 20 Writing 20 Listening 20 Speaking 20

Type of TOEFL Test Doctoral

Paper-based	577
Computer-based	233
IBT (internet-based testing)	Reading 20 Writing 24 Listening 21 Speaking 26

The attainment of a minimum acceptable score on TOEFL does not take the place of any special English language proficiency requirements for specific majors or university requirements as stated in this catalog.

Implementation and verification of the minimum competencies will be done by the Office of International Services and the Office of Admission and Student Recruitment.

Admission to a Degree Program with Non-U.S. Credentials

The university will consider applications to any degree program for those citizens, resident aliens, or for those on temporary visas (other than F-1) who submit credentials from any country other than the United States. Any applicant as defined must:

1. submit an application by published deadlines as outlined in this catalog;
2. submit evaluation of academic credentials. Official foreign credentials must be evaluated by Educational Credential Evaluators (ECE) in Milwaukee, Wisconsin or by any other NACES (National Association of Credential Evaluation Services) member organization. Applicants who would like transfer credit for prior coursework should request a "course-by-course" evaluation report. Applicants who are seeking graduate program admission with no transfer credit should request a "general" evaluation report. For more information, please contact the Processing Office at 708.534.4510.
3. submit official TOEFL report with one of the minimum acceptable scores on the Test of English as a Foreign Language (TOEFL) listed below or complete course work from Education Services Inc.'s Language Centers. For this option, students must complete through a minimum level 112.

For the TOEFL, a minimum acceptable score is as follows:

Type of TOEFL Test Undergraduate Graduate

Paper-based	500	550
Computer-based	173	213
iBT (internet-based testing)	Reading 19 Writing 16 Listening 18 Speaking 15	Reading 20 Writing 20 Listening 20 Speaking 20

Type of TOEFL Test Doctoral

Paper-based	577
Computer-based	233
iBT (internet-based testing)	Reading 20 Writing 24 Listening 21 Speaking 26

4. provide any required additional special admission credentials for the desired major. Please refer to other sections of this catalog for any necessary special admission requirements.

NOTE: Applicants on or seeking F-1 visas should refer to the section on international students.

Placement Policy for Mathematics and Writing

All undergraduate degree-seeking and undeclared students must complete Directed Self-Placement for mathematics and writing before the first term of enrollment. The self-placement process is completed through the mandatory new student orientation, which is available on-campus and online.

Registration

All newly admitted and active continuing students who do not have a university hold on their record are eligible to register. Tuition and applicable fees are due as billed by the payment deadline published each term.

Maximum Credit-hour Load. Undergraduate and graduate students may register for up to 18 credits for Fall and Spring terms and 12 credits for Summer term. Permission from the college dean is required to exceed these credit-hour maximums.

Course Prerequisites and Corequisites. A prerequisite is a course that must be completed before registration in a particular course. A corequisite is a course that is taken simultaneously with, or before, another course. A concurrent course is a course taken at the same time as another course. Prerequisites and corequisites for courses are indicated in the listing of courses in this catalog.

Continuing Student Status. Continuing students at Governors State University are defined as degree-seeking students whose enrollment at Governors State has not been interrupted for more than five calendar years (15 consecutive terms, including summer terms). This does not include students who have enrolled in accredited programs where accreditation requirements prohibit return to active status following non-enrollment for more than three to 14 consecutive terms. Students in such accredited programs may return only with the program director's permission.

Enrollment is defined as registration for one or more credit-hours or audit (noncredit programs/courses are excluded). Degree-seeking students are subject to the curricular requirements in effect at the time of their initial admission and who maintain active continuing student status.

Degree-seeking students who lose continuing status must reapply and be readmitted. They will be subject to the admission and curricular requirements of the university, college, and specific major in effect at the time of readmission.

Add and Drop. Students may add and/or drop courses any time during the published periods without penalty. See the online course schedule for registration period details.

Full-time Student Status. An undergraduate student is considered to be enrolled full-time for any given term if he or she is enrolled in 12 credit hours for that term. A graduate student at the master's level is considered to be enrolled full-time for any given term if he or she is enrolled in nine credit hours for that term. A graduate student at the doctoral level is considered to be enrolled full-time for a given term if he or she is enrolled in six credit hours for the term.

Illinois Articulation Initiative (IAI)

The Illinois Articulation Initiative (IAI) is a statewide initiative designed to allow students to transfer easily from one college/university to another. Governors State University is a participating receiving university.

The Illinois Articulation Initiative has established a General Education Core Curriculum (GECC), which is the statewide transfer general education curriculum common to all IAI member institutions. Governors State University accepts all courses in this curriculum toward its general education requirements. Students may, however, transfer to GSU without completing the GECC. Even though not included in IAI, students may also transfer credits from an out-of-state institution.

In order to ease transfer for Illinois students, GSU has used the IAI designations whenever possible. This is not to limit the transferability of courses but to ensure the transfer of courses which carry the IAI designation. Comparable courses from out-of-state institutions (not bearing the IAI designation) may be accepted for transfer.

For more information on the IAI, see the IAI website at www.itransfer.org.

Articulation Agreements

To minimize transfer problems for students, Governors State University and area community colleges have developed articulation agreements that help students plan bachelor's degree programs beginning at the community college and finishing at Governors State University. These agreements assure smooth transition from lower-division study to upper-division study and completion of a bachelor's degree. For more information on articulation, see our website at www.govst.edu/apply/articulation.

TUITION AND FEE PAYMENT POLICIES

Governors State University has four options for a student to complete registration:

- pay all tuition and fees by the payment deadline;
- make an initial payment and have a signed payment plan agreement form on file in the Cashier's Office by the payment due date;
- accept their financial aid award from the GSU financial aid office; or
- sign a Validation/Promissory Note in the GSU Financial Aid Office and have submitted it to the Cashier's Office (for students not yet awarded financial aid, but have completed a FAFSA and submitted all required documentation, and meet eligibility criteria)

The payment due date is based upon the registration date. These dates are term specific. Information regarding these due dates is available on the website at www.govst.edu/paymentdates; in the schedule of classes; and from the Cashier's Office at 708.534.4055.

Payment plan forms are available on the website at www.govst.edu/payplan or at the Cashier's Office. There is a \$20 non-refundable fee for the payment plan option.

Students who do not comply with one of the registration processes by the due date will be dropped from the class(es) for which they registered.

Students who fail to pay by the published due dates are subject to a \$100 late fee. This includes those students who receive financial aid, tuition waivers, and work/organization sponsored tuition-assistance.

GSU is migrating to a paperless environment. Students may not receive a bill prior to the payment due dates. Student may view their account online at www.govst.edu/studentaccounts. GSU will use e-mail to communicate payment plan due dates.

A \$25 service fee will be assessed for any check returned by the bank.

Payment Options

Payment may be made at the Cashier's Office, online, or by mail. The university accepts cash, check, MasterCard, Visa, or Discover. Please do not mail cash.

Payments made at the Cashier's Office after-hours depository will be credited the following business day.

To pay online: www.govst.edu/payonline

To make a credit card payment by phone: 708.534.4055

Fees

The fees listed in this section of the catalog are subject to change for any subsequent term. Please check the class schedule or the website for any changes.

All students registered for one or more on campus credit-hours at Governors State University must pay these fees.

All practicum and internship classes are classified as on campus classes. Therefore, mandatory on campus fees will be assessed to students taking practicum and internship classes.

Audit Fee. A non-refundable fee of \$75 is assessed per audited course in lieu of tuition.

Career Counseling Fee. The Career Counseling fee is \$32 per term. The fee supports programs that will increase the academic success and retention of all students. Also, this fee assists in the transition process by helping students find employment after graduation. Some of the programs receiving funding support are job development, on campus job recruitment, resume writing services, career, personal and academic counseling programs and services.

Doctoral Application Fee. There is a non-refundable doctoral student application fee of \$75 per application submitted except for the DPT.

Graduation Fee. A non-refundable Graduation Processing Fee is assessed at the time students file their applications to graduate. The fee is \$50 for a baccalaureate, master's, or doctoral degree.

Master's Application Fee. There is a non-refundable master's student application fee of \$50 per application submitted.

Parkways Fee. A fee of \$35 per term is assessed to all currently enrolled on campus students. The university maintains five parking lots adjacent to its main building. Operation and maintenance of the lots and walkways, snow removal, repair/replacement, etc. along with quick-start/escort service, are funded from parking fees paid by staff and students. Staff pay for parking through payroll deduction. Students are assessed parking fees with their enrollment fees.

Strategic Initiative Fee. A fee of \$13 per credit-hour is assessed to all currently enrolled students. The fee will support targeted initiatives that enhance student learning experience.

Student Activity Fee. The Student Activity fee is \$36 per term. The fee supports programs and activities to enrich the extracurricular life of students. Some of the programs and activities receiving funding support are the Smart Start Center which offers child care, the student newspaper, entertainment and educational events,

student clubs and organizations, the Student Senate, student leadership development, diversity observance events, and the Safe Ride shuttle.

Student Center Fee. The Student Center fee is \$30 per term. The fee supports the operation of the Student Center, which provides facilities for meetings, student offices, a typing center, lounges, recreation areas, study areas, and a number of other related programs and services.

Technology Fee. A fee of \$17 per credit hour is assessed to all currently enrolled students. The fee is used for expanding computer access to students and upgrading computer hardware and software.

Transcript Fee. GSU charges a fee of \$10 per official transcript.

University Facilities Fee. A fee of \$16 per credit hour is assessed to all currently enrolled students. The fee assists in the maintenance of all GSU physical facilities, infrastructure, and operations.

Undergraduate Application Fee. There is a non-refundable undergraduate student application fee of \$25 per application submitted.

PROGRAM AND SERVICE FEES

Amounts are for the 2010-2011 academic year.

Assessment Fee. Fees are based on the current academic year undergraduate extended learning tuition rate as defined on page 18 of this catalog. Students at GSU who submit a CEEL portfolio, or Interdisciplinary Studies (IDSS) students who elect to do a portfolio, are charged an assessment fee equivalent to tuition for one credit-hour for submission of a portfolio, and 40 percent of tuition for one credit-hour for assessment of each course or section. International portfolio fees are equivalent to tuition for two credit-hours.

Assessment of each course or section is 40 percent of this amount. To learn how to write and submit a portfolio that can be assessed for possible academic credit, students may attend a Portfolio Seminar with a fee approximately equivalent to tuition for one-half of a credit-hour. Qualified students may enroll in an online or on-campus course, IDSS330, with advisor approval. For those unable to attend a seminar, a Portfolio Seminar notebook and self-paced video are available at the GSU Bookstore. Military transcripts, which need to be sent to outside evaluators, are charged fees approximately equivalent to tuition for one-half of a credit-hour for this assessment.

For further information, call the Interdisciplinary Studies Office (IDSS) at 708.534.4092.

Distance Learning Fee. Distance learning tuition rates apply to courses taught at locations other than the main campus and to media courses, i.e. television courses, on-line courses, and correspondence courses. A minimum service fee of \$17 per credit-hour is assessed.

Library Fees. The University Library charges library fines and replacement fees for materials that are overdue, lost, or damaged. All transactions resulting in the preparation of a bill also involve a processing fee.

Student Health Insurance. Participation in a student health insurance program is optional. Information on basic annual plans for a single student is available from private companies. Information on these health insurance plans and fee rates for spouse and/or dependent coverage is also available in the Student Life Service Office (D1429).

Transcript Fee. GSU charges a fee of \$10 per transcript.

Payment of Tuition and Fees

Tuition and applicable fees must be paid no later than the date specified (published in the schedule of classes) for each term. Registration and official enrollment in courses is not complete until all tuition and fees have been paid. The university accepts cash, check, money order, Mastercard, Visa, or Discover card payment. A \$100 late fee will be assessed to all accounts not paid in full by the due date.

Payment Plan

The payment plan option is available to students during the early, regular and late registration periods. A percentage of the student's account balance and a signed payment plan agreement are due by the initial due date. Payment plan forms are available on the GSU website and at the Cashier's Office. The payment plan fee is \$20.

Determination of Undergraduate/Graduate Tuition Rates

Undergraduate tuition rates apply to all students who have not earned a baccalaureate degree, including degree-seeking, undeclared, and non-degree seeking students.

Graduate tuition rates apply to all students holding a baccalaureate degree, regardless of the level of course work in which they intend to enroll. This policy includes degree-seeking and non-degree-seeking students.

Students will be billed for tuition based on their status at the time of fee assessment. However, if delayed posting or retroactive changes to a student's record affect this status, tuition will be reassessed and the student billed or refunded any difference in tuition. Tuition adjustments will only be made for the current term.

Residency

To be considered residents, students must have lived in Illinois for a period of at least six consecutive months immediately preceding the beginning of any term for which they register at the university and must continue to maintain bona fide residence in the state while enrolled at GSU.

To establish resident status, a person who is not a citizen of the United States of America generally must have a permanent resident status with the United States Citizenship and Immigration Services (CIS) and must also meet and comply with all other applicable requirements of CIS regulations.

In requesting a change of their nonresident status, students will be required to provide satisfactory evidence to the Registrar's Office of in-state residence in compliance with the above residency classification rules.

See the appendix of this catalog for additional information on resident status.

Refunds

Students who drop from courses on or before the published 100 percent refund deadline are entitled to a full refund of tuition and fees. The refund period is listed in the schedule of classes for each term.

Students attending the university for the first time who withdraw from all courses after the conclusion of a term's registration period, or who otherwise fail to complete the term, shall be eligible for a pro-rata refund in accordance with regulations governing federal financial assistance programs. Any such student shall have deducted from such refund an administrative fee of the lesser of five percent of tuition and fees or \$100.

Refunds of fees may be made because of the student's death, disability, extreme hardship, or institutional error. Additional information is available from the Registrar's Office and the Business Office.

Refunds may be made via check or via the web if payment was made via the web.

Unsatisfied Financial Obligations

Unsatisfied financial obligations to the university are pursued through placement with a collection agency, litigation, and/or placement in the Illinois Comptroller's Offset System. Collection costs incurred by the university in collecting monies due will be assessed to the debtor.

University Holds

University holds are a means of identifying students with unsatisfied financial or academic obligations to the university. Students with holds may not register until holds are released.

FINANCIAL ASSISTANCE

The primary purpose of the financial aid program at Governors State University is to assist students in obtaining the financial resources necessary to cover their educational costs. The Financial Aid Office encourages all students to apply early for financial assistance.

Financial aid programs are designed to supplement student or family resources by bridging the gap between costs and the student's or family's measured ability to pay. The analysis of a student's or family's financial strength includes consideration of current income, assets, family size, number of family members in college, and any other factors that seriously alter a student's or family's financial situation.

Eligibility Criteria

Requirements for federal and state sponsored financial aid vary, but generally, a student must:

1. be a U.S. citizen or a permanent resident;
2. be admitted to a degree program; and
3. be enrolled at least on a half-time basis (six hours) for most forms of aid.

Programs Available

The Financial Aid Office administers and coordinates aid funds from federal, state, university, and private sources. The various aid programs available may be divided into four broad categories: grants/scholarships, loans, work, and tuition waivers. Grants and scholarships are referred to as "gift aid" since they are not repaid. Loans (generally low interest) must be repaid, with payments usually beginning six months after leaving school. Work is often available during the academic year either on or off campus. In addition, tuition waivers covering in-state tuition for both undergraduate and graduate students are available.

Application Procedures

The Financial Aid Office accepts applications on a year-round basis. Students should apply for financial assistance when the decision to apply to at Governors State University is made.

Students should contact the Financial Aid Office for detailed information on available programs and application forms. The application process varies from institution to institution, and students must follow the

procedures required at Governors State University to ensure timely processing of their requests. The financial aid application is not complete until all required forms, need analysis reports, and supporting documents are on file with the Financial Aid Office.

To determine eligibility for all forms of need-based aid, students must complete a Free Application for Federal Student Aid (FAFSA). The FAFSA is available at www.fafsa.ed.gov. Students with completed applications received at the Financial Aid Office by April 1 will receive priority consideration for campus-based financial aid. Students who complete their applications after April 1 will be considered for campus-based aid only if the funds are available. Additional information and supporting documentation may be requested if the application is selected for verification.

Financial Aid Disbursement

Financial aid is posted to the student's account after the 100 percent tuition refund deadline. The Financial Aid Office offers a \$300, \$500, or \$700 book card to students who meet certain criteria. A book card is an advance on a student's financial aid funds and will be deducted from the disbursement of awards just as tuition and fees are deducted. Book cards are available the week before classes start and during the first week of the term only.

Veterans Assistance

For information concerning veterans benefits, contact the Financial Aid Office.

Please refer to "Repeating Courses," "Independent Study," and "Audit Registration" in the Academic Regulations section for pertinent information.

STUDENT SERVICES, ACTIVITIES, AND INFORMATION

University Library

The University Library provides reference and information services 79.5 hours per week at the circulation and reference desk. Electronic resources are available from the library's website 24 hours per day, seven days per week. Library staff members offer tours of the library, and library faculty members provide library instruction to individuals and groups upon request. In addition, workshops and training are offered in academic computing applications to students, faculty, staff, and community members. The workshop schedule can be found on the library's website at www.govst.edu/library.

Books and other materials in the library are identified and located through I-Share, an online catalog providing users with access to the library's collection and its holdings by author, title, keyword, and subject. I-Share also provides users with information on the holdings, now numbering more than 32 million volumes, of more than 76 libraries that are also members of the Consortium of Academic and Research Libraries in Illinois.

The library subscribes to more than 60 electronic databases in which users can locate full-text books and journal articles, as well as citations to articles, books, and other materials, in a variety of subject areas related to the curriculum at Governors State University. The library's website serves as a gateway to these resources from both on- and off-campus. Instructions are available on the websites and at the reference desk. Distance education students are entitled to equitable library services - see the library's distance education websites at www.govst.edu/library for information on accessing these services.

The library maintains an extensive collection of print, audiovisual, and electronic materials. These materials are, with few exceptions, available on open shelves, readily accessible to users. The collection encompasses more than 466,000 print volumes; more than 28,000 media items, including videocassettes, compact discs, filmstrips, slides, and kits; more than 1,000,000 items on microfiche/film; more than 1,800 journal subscriptions and more than 50,000 electronic serial subscriptions, as well as CD-ROMs and DVDs. The library is a select depository for both United States and Illinois government documents. Staff members provide assistance in retrieving government information in the library's collection and from the Internet.

Library resources include DVDs for university telecourses; test files which contain sample materials used for psychological and educational testing and measurement; curriculum materials, sample textbooks, and juvenile literature, which support the teacher education program; and reserve materials assigned by faculty to support current courses. Library facilities include student study and lounge areas; wireless network access for personal laptop computers; computer workstations to access electronic and Internet library services and to use Microsoft Office and multimedia software; scanners; equipment for viewing audiovisual materials; and card and coin-operated photocopiers, microform reader-printers, and laser printers. The library also provides adaptive technology for disabled students.

The library accepts referrals from the university's Office of Disability Services to train students in the use of the software and the equipment. Books and journal articles that are not available in the Governors State University Library can often be obtained for students through inter-library loan or cooperative networks. Request forms are available on the library's websites and at the reference desk in the library.

Users of the online catalog can initiate their own inter-library loan requests from the other I-Share participants. The materials requested will be sent to the GSU Library for patron pickup.

The library also has cooperative agreements with other academic libraries that permit Governors State University students to have access to their collections using their valid GSU I.D.

For more information about library services, visit the library website, www.govst.edu/library, or call the reference desk 708.534.4111.

Academic Computing Services

Academic Computing Services (ACS) provides computer facilities for students, faculty, and staff. The ACS complex is comprised of six classrooms and an open lab. All computers are connected to the Internet. Hardware in the ACS lab includes Core 2 Duos, iMacs, laser printers, and a scanner. Operating systems include Windows XP and Macintosh OS 10.6. Software categories include Microsoft Office 2010, programming languages, graphics, and client software. Located in the main lab are three high speed Hewlett Packard LaserJet printers, which connect all PCs in the lab to Pay-to-Print stations. Students enrolled at Governors State and holding a valid student I.D. card may use the ACS facilities. ACS is located on the second floor of the D Wing, just past the library. ACS is open Monday through Friday, 8:30 a.m.-10:30 p.m.; Saturday, 8:30 a.m.-5 p.m.; Sunday (fall/spring), 1-9 p.m.; and Sunday (summer), closed. Student lab aides are available to answer questions and assist users. For current information about ACS, please visit www.govst.edu/its/.

Coordinator for Veterans and Military Personnel

The Coordinator for Veterans and Military Personnel is an ombudsperson to veterans, active duty military, and their families. The Coordinator is available to assist incoming students with the application process, registration, transcript evaluation, and navigation of the university and its website. The Coordinator will also refer students to resources within the university such as financial aid, student services, career services, and state and federal veterans' representatives.

The Office of Equal Opportunity and Diversity

The Office of Equal Opportunity and Diversity offers information and assistance to students who believe that they have been discriminated against because of race, color, national origin, religion, gender, ancestry, age, sexual orientation, marital status, disability, citizenship, unfavorable discharge from military service, or veteran status.

The office also offers information and assistance to students who believe they have been victims of sexual harassment.

Any student who believes that he or she has been unlawfully discriminated against or has been a victim of sexual harassment may file a grievance with the Office of Equal Opportunity and Diversity.

Public Act 96-574

Governors State University is in compliance with and enforces the Public Act 96-574 as it pertains to sexual harassment in higher education. Students and employees are encouraged to contact the contact the Department of Human Resources with any related complaints or questions.

Counseling

The professional staff offers confidential counseling for currently enrolled students seeking to address academic, career, or personal concerns. Appointments can be made by contacting 708.534.4508. Additional information regarding counseling services and referrals is available on the Academic Resource Center website at www.govst.edu/sas.

Disability Services

The Office of Disability Services is dedicated to creating an accessible environment and providing equality of educational opportunities for students with documented disabilities. GSU's goal is to focus on a student's ability not the disability. Disability Services ensures compliance with the Americans with Disabilities Act and with Section 504 of the Rehabilitation Act of 1973. Legally mandated access and accommodations are available to all qualified students who self identify with Disability Services. Students must provide documentation by a qualified professional who can verify the functional impact of the disability as well as provide recommendations for appropriate accommodations. The information provided by students is voluntary and confidential. If requests for auxiliary aids, academic adjustments, or other special services necessitate a modification of academic standards or create an undue hardship on the university, the requests may be denied. To arrange for appropriate accommodations, contact the Director of Disability Services at 708.534.4508.

Online Orientation/Directed Self-Placement

All undergraduate degree seeking and undeclared students are required to complete an online orientation program before registering for classes. The online orientation program has two components: the first portion provides basic information about the university's policies, programs, and procedures. The second portion is Directed Self-Placement. This innovative program

assists students in assessing their ability level in math and writing. Students then self-select supplemental review or coursework based on this assessment. Online Orientation/Directed Self-Placement is available 24 hours a day/seven days a week.

Testing

Examinations are administered for the School of Extended Learning. The testing staff member administers correspondence and telecourse exams for students who are unable to attend the regularly scheduled exam dates. All GSU students can obtain information about and register for any of the 34 CLEP (College Level Examination Program) exams. Students can also take one of 37 DANTES tests, also called DSST. Both of these exams are arranged by appointment only. This area also provides information and registration information for a math review workshop for the Illinois Teacher Certification Basics Skills Test. This workshop is usually offered four times per year. Students enrolled in the Counseling program here at GSU can obtain registration materials for the National Counselor Examination (NCE) offered twice a year on campus. Students can also obtain information for national tests such as the Graduate Record Examination (GRE), the Graduate Management Admission Test (GMAT), and the Law School Admission Test (LSAT). Contact 708.534.4508 for further test information.

Tutoring

Tutoring services are offered for undergraduate students free of charge. The following subjects are tutored: math, accounting, economics, finance, computer science, statistics, and some science courses depending on tutor availability. Both onsite and limited online formats are offered. For more information, please visit the Academic Resource Center website at www.govst.edu/sas.

Writing Center

The Writing Center provides assistance to undergraduate and graduate students with one-on-one tutoring sessions through the online writing center, and beginning research and documentation help in the library. The center also offers assistance for students who plan to take writing examinations, such as the Basic Skills Exam. For more information, call 708.534.4508 or visit the website at www.govst.edu/owl.

The Student Life Unit

Located in A-Wing, this area has been designed to bring diverse students together through a variety of programs and services. Included in the Student Center are a television lounge; dining and study areas; student leader offices (the Student Senate, student Board of Trustees representative, and IBHE - Student Advisory Committee representative); and meeting rooms. The Student Life staff has offices in the center. The Student Commons is a gathering place for student interaction within the center. The Student Life Unit also houses the Recreation and Fitness Center which has an Olympic style swimming pool, gymnasium, fitness room (free weights and exercise machines), racquetball court, lockers, and shower facilities. The Recreation and Fitness Center is open seven days a week during the fall and spring terms, but is closed Sundays during the summer term. For additional information, contact the Welcome Center at 708.534.4550.

Career Services

The Office of Career Services assists students and alumni with all facets of their careers. The office offers individual advising appointments and workshops where students can receive assistance with developing a job search strategy, resumes, interviewing, networking, negotiating offers, and writing job search correspondence. In addition, the office provides students with hands-on learning experiences in identifying skills and researching employers through workshops during the academic terms. Career Services also maintains job and internship postings from local employers on both hard copy and via the online Experience job database. The office hosts 4-5 career fairs during the academic year, which are targeted career fairs such as the Education and Health and Human Services Career Fairs. For students in online degree programs, services are further provided through telephone appointments and email correspondence. Its website also provides a wealth of career-related resources for all students and alumni.

Child Care

The Family Development Center opened its facility across from the main campus in October 2002. Using the example of the early childhood centers in Reggio Emilia, Italy, the building makes use of light, space, and natural elements to enhance the sense of community central to child-centered programming. Educational research and models of effective teaching practices played a key role in the development of the center's program philosophies. Center programs provide field sites for university instruction, and offer services to GSU

students, faculty, and surrounding community members. Programs are available by registration with program staff, and include the following: 1) state licensed child care for children ages 6 weeks to 12 years; 2) after school enrichment for children ages 5 to 12; 3) birth to age 5 parenting support for families with infants, toddlers, and preschool children; 4) parent and child play groups during day and evening hours; and 5) library lapsits where children and parents are invited to join in the storytelling, games, and snacks related to a story theme. Specific program information is available at 708.235.7300.

Clubs and Organizations

Students may take advantage of the many clubs and organizations that exist at Governors State University. These clubs provide students with the opportunity to meet others with the same majors or special interests. The majority of organizations are related to academic programs, while others support a variety of social and special interests. New clubs and organizations may be formed by any group of seven or more students. For information or assistance, contact the Director of Student Engagement and College Relations at ssanderson@govst.edu or 708.534.4553.

Community Service Officers

Community Service Officers provide students, staff, and visitors safe conduct to their cars, especially late at night. Services are available seven days a week. Community Service Officers help motorists with battery problems, frozen locks, empty gas tanks, and tires that are low on air. If a motorist is locked out of his or her car, personnel from the Department of Public Safety will assist in unlocking it. A Community Service Officer can be contacted by dialing the Department of Public Safety at 708.534.4900.

Identification Cards

Photo I.D. cards are available for all students at the Welcome Center in D-Wing. I.D. cards are required for use of all university facilities, including the library, the computer centers, and the Recreation/Fitness Center.

Information and Records

Information concerning student enrollment, grade reports, certification for graduation, diplomas, commencement, and transcripts can be obtained from the Registrar's Office. This office also processes changes of address, name, and residence classification.

Recreation/Fitness Center

Students, faculty, staff, and community members can participate in fitness, and intramural and recreational activities, such as volleyball, racquetball, basketball, and other sports both as leisure activities or in a tournament format. They can also enroll in recreational classes taught on-campus. Additional activities such as aerobics and swim classes are available on an enrollment, fee charged basis. For additional information contact the Recreation and Fitness Membership Services Office at 708.534.4556.

Multicultural Programs

Governors State University is committed to celebrating the ethnic and cultural diversity of the campus community. Through the Office of the President and the Student Life Unit, the university encourages special events, workshops, meetings, and programs that recognize the ethnic and cultural diversity of the campus as a community strength.

The Center for Performing Arts

This 1,200-seat Performing Arts Center opened in December 1995. The Center is dedicated to providing a wide array of quality arts, popular, educational, and family programming to the immediate community and its surrounding metropolitan region. Major star attractions are featured, as well as a variety of Illinois artists and performing arts companies. The Arts in Education Program at The Center area serves over 40,000 children with professional performances, performing arts camps, and master classes. The Center is also a meeting place for area businesses, organizations, and community events. For information and reservations, call 708.235.2222 or see the Center website at www.centertickets.net.

Public Safety

Police, public safety, and emergency medical services in cooperation with the University Park Fire Department are available at all times from the university's Department of Public Safety at 708.534.4900.

Student Handbook

The Student Handbook provides students with information on policies, student fees, student services, grievance procedures, etc., as well as an administrative overview. Student Handbooks can be found at the GSU website at www.govst.edu/studenthandbook.

Student Government

The university is governed by three senates representing the faculty, civil service, and students. The Student Senate is charged with the responsibility of representing student interests in all policies governing the university. A student is also elected to be a representative to the GSU Board of Trustees. A student and an alternate are elected to represent the university on the Student Advisory Committee to the Illinois Board of Higher Education.

The Division provides opportunities for students to learn in functioning broadcast facilities and to work with our award winning producers and directors on professional productions with national distribution.

UNIVERSITY POLICIES

Affirmative Action/Equal Opportunity

Governors State University recognizes and is fully committed to both its moral and legal obligations to provide equal opportunity to its employees as well as its students. Recognizing these obligations, the university will not discriminate on the basis of race, color, national origin, ancestry, religion, gender, age, sexual orientation, marital status, disability, citizenship, unfavorable discharge from military service, or veterans status in any area of university employment or in services to its students. Furthermore, the university is pledged to the affirmative action process to ameliorate patterns of employment which indicate under-utilization of members of minority groups and women, whether in the faculty, the civil service, or among the students. The Affirmative Action Plan explains more fully the university's commitment and may be reviewed by all concerned in the University Library.

Accommodating Religious Observances

Governors State University will not discriminate against students for observing religious holidays and will reasonably accommodate the religious observance of individual students in regard to admission, class attendance, and the scheduling of examinations and academic work requirements.

- 1) It is the responsibility of the student to notify in writing the GSU administrator/faculty member involved at least three class periods in advance of the date of the religious observance.
- 2) Accommodations considered unreasonable are those which would necessitate the modification of academic standards or create undue hardship on the university or its staff.
- 3) If a student feels he/she has been discriminated against, redress can be sought through the Student Grievance Procedure.
- 4) This policy must be published in the student handbook and the university catalog.

Sexual Harassment

Governors State University will not tolerate sexual harassment of students or employees and will take action to provide remedies when such harassment is discovered. The university environment must be free of sexual harassment in work and study. Students who believe they have been victims of sexual harassment should contact the Diversity Officer in the Human Resources Department for information and assistance.

Services for Students with Disabilities

Governors State University complies with the Americans with Disabilities Act of 1992 and with Section 504 of the Rehabilitation Act of 1973 and other federal and state legislation which states that, "No otherwise qualified person with a disability in the United States... shall, solely on the basis of disability, be denied access to, or the benefits of, or be subjected to discrimination under any program or activity provided by any institution receiving federal financial assistance." Inquiries about assistance to meet special needs should be directed to the Academic Resource Center, which will notify the appropriate academic and service areas. Provision of such assistance will be based upon the individual student's need to have equal access to the learning environment. Requests for auxiliary aids, academic adjustments, or other special services which necessitate a modification of academic standards or create an undue hardship on the university, may be denied.

Drug and Alcohol Abuse

Consistent with its educational mission, Governors State University is committed to providing education about the effects of the use of drugs and alcohol and to furthering efforts to prohibit possession, use, or abuse of these substances.

Smoking

In compliance with the Illinois Clean Indoor Air Act, as of July 1, 1993, smoking is prohibited in the university.

In compliance with the 2008 Illinois Clean Air/No Smoking Policy Law and Governor State University's recently established guidelines, outdoor smoking areas will be relocated 25 feet from doors, windows that can open, and air intake vents.

ACADEMIC REGULATIONS

Student Responsibility

Students are responsible for knowledge of, and adherence to, all university requirements and regulations. Students are also responsible for knowing the degree requirements for their major and enrolling in courses that meet those degree requirements. Students are strongly encouraged to seek information and assistance from appropriate staff should they have any questions regarding requirements or regulations.

Student Grade Reports

Currently enrolled students can access their grades by signing on to the Student Web Information System at www.govst.edu/online. Grade reports are not mailed except upon written request. Students needing official grade reports should complete the Request for Official Grade Report form available online. Official grade reports are not available to students with an outstanding financial obligation to the university.

Grading

At the completion of the work for a course, a letter grade will be assigned by the instructor. Grades provide academic evaluation and are the basis for determining academic standing. Following are the letter grades used at Governors State University and the grade points used to determine the grade point average of the student:

Grade	Description	Grade Points Per Credit-hour
A	= Superior performance	4
B	= Above average performance	3
C	= Average performance	2
D	= Marginal performance	1
F	= Failure	0
P	= Pass	
NC	= No credit	
W	= Student initiated withdrawal	
X	= Administrative withdrawal	
CO	= Continuous Registration	
I	= Incomplete	
E	= Extended incomplete	
M	= Grade missing at time of processing	
R	= Repeated course	
V	= Audit	

Grade Point Average

The student's grade point average (G.P.A.) is calculated by dividing the total number of grade points by the total number of credit-hours attempted. The cumulative grade point average is computed by dividing the total number of grade points that a student has earned in all courses taken at Governors State University by the total number of credit-hours represented by those courses. Transfer hours and courses in which a "P", "NC", "CO", "W", "X", "I", or "E" grade is earned are not used to calculate the grade point average.

Grade	Credit Hours		Grade Point Value	=	Grade Points
A	3	x	4	=	12
B	3	x	3	=	9
C	3	x	2	=	6
D	3	x	1	=	3
F	3	x	0	=	0

An example of the G.P.A. calculation: a student attempted five three-hour courses (a total of 15 hours), receiving an "A," a "B," a "C," a "D," and an "F." The total number of grade points earned in the five courses is 30. The G.P.A. is 30 (grade points) divided by 15 (hours attempted) equals 2.0.

Incomplete Course Work

Upon written request by the student, an instructor may assign a grade of incomplete ("I") provided that reasons for not completing the course work are acceptable to the instructor and a reasonable amount of participation was demonstrated by the student during the term of enrollment. The instructor will determine the time allowed to complete the course work, provided it does not go beyond the two weeks prior to the end of the next term. When the course work is submitted, the instructor will replace the incomplete with the appropriate grade. If the incomplete is not changed to a final grade by the specified date, the "I" will automatically convert to an "F" (or an "NC" for pass/no credit courses), unless a request for an extension of incomplete ("E") has been approved in writing.

Any request for an extension of an incomplete must be based on extenuating circumstances beyond the student's control or for valid academic reasons and is subject to the dean's approval. The extension shall not go beyond two weeks prior to the end of the next term. All incomplete grades must be removed before graduation.

Incomplete or nonpunitive grades cannot be permanently assigned to veterans or eligible persons receiving VA educational benefits. If this is the school policy, the “I” or incomplete grade must be reported to the VA as nonpunitive at the time the grade is assigned. This is necessary to ensure compliance with statutory restrictions on benefit payments.

Grade Appeals

Once a grade has been recorded by the Registrar’s Office, additional work cannot be submitted to raise the grade. Corrections may be made only as the result of either of the following:

1. A formal grievance proceeding is completed within the time limits set forth in the university grievance procedures.
2. A grade correction is approved by the faculty member, division/department chairperson, dean, and provost and filed with the registrar for Fall term errors by the end of the seventh week of the subsequent spring semester; or for Spring term errors by the end of the fifth week of the subsequent Summer term; or for Summer term errors by the end of the seventh week of the subsequent Fall term.
3. In case of a denial, the student may wish to repeat the course so that the original grade becomes an “R.” See the information below about repeating courses.

Pass/No Credit Option

To encourage undergraduate students to participate in areas of learning outside their major interests and to stimulate intellectual curiosity, Governors State University has a pass/no credit option. To receive credit (“P”), the grade must be “D” or better. A grade of “F” will carry a No Credit (“NC”) designation. Pass/no credit designations are not calculated into the grade point average. Only undergraduate degree-seeking students may elect to take graded courses on a pass/no credit basis. The courses can only be applied toward the elective requirements within the student’s degree program. A student may earn a maximum of 12 hours of credit in the pass/no credit option that can be applied toward elective degree requirements. (Note: Students who do not intend to earn a degree from GSU, either undergraduate or graduate, may also use this option.) Changes from the pass/no credit option to traditional grade status are permitted through the end of the registration period for the term in which the course is offered. Additionally, selected courses are graded only on a pass/no credit

basis. These courses are identified by the “P/NC” designation in the Course Description section of this catalog. Students who wish to change their course grading from traditional grade status to pass/no credit can fill out the pass/no credit form, which is found in the Registrar’s Office.

Repeating Courses

A student may elect to repeat a course. The highest grade awarded will be used in the G.P.A. calculation; the lower grade will be replaced by an “R” to indicate a repeated course. Students electing to repeat a course should obtain a Repeated Course Request form from the Registrar’s Office. The form is also available online.

Veterans and eligible persons receiving benefits can only be certified to repeat courses if a certain grade is required by the institution, e.g., a grade of “C” or higher is required to reach the approved objective and if overall satisfactory progress standards are met. There is no limit on the number of times a course may be repeated, as far as the VA is concerned, as long as the grade assigned to the repeated course at the end of the term is punitive, unless mitigating circumstances are approved by the VA. If established school policy is to replace a prior punitive-failing or below required standards - grade with a creditable passing grade following a successful repetition of the course, that fact alone constitutes mitigating circumstances. Incorrect certification can result in overpayments.

Independent Study

Independent study enables a student to pursue individual research and reading in a field of special interest under the guidance of a faculty member. A written proposal for an independent study, planned and developed by the student, must be approved by the Division/Department chairperson in consultation with the faculty sponsor. Independent study credit may be used to meet elective credit only, and shall not be used as a substitute for courses specified in the student study plan. A maximum of nine undergraduate credit-hours and six graduate credit-hours of independent study may be applied to degree requirements. Individual colleges and programs may have more restrictive policies. A student may enroll for a maximum of three credit-hours of independent study in any one term.

Veterans and eligible persons receiving benefits can only be certified in independent study courses that lead to a standard college degree, consisting of a prescribed program of study with interaction between the student and the regularly employed faculty and offered without any regularly scheduled conventional classroom or lab sessions.

Degree Requirements

Students who are admitted to Governors State University for this academic year must fulfill the degree requirements stated in this catalog (including any official addendum which may be subsequently published in order to update catalog information), or they may elect to substitute the requirements in any subsequent catalog published while they are enrolled in the university. A student must, however, meet the requirements from one catalog only, rather than choosing a portion from one catalog and the remainder from another.

Students who are reactivated to Governors State University and who did not attend within the past three consecutive terms, including summer term, may be required to meet the requirements of the current catalog as determined by their faculty/academic advisor. Students who are readmitted to Governors State University who did not attend within the past 15 consecutive terms, including summer term (or otherwise required by accredited programs) must meet the requirements of the current catalog unless written approval to continue under an earlier catalog is obtained from the dean of the college in which they enrolled. The written permission must be forwarded to the Registrar's Office along with the graduation application.

Concurrent Registration or Dual Enrollment

Students may enroll at another regionally-accredited institution of higher learning while working toward a degree at Governors State University. Students must consult with their advisor before enrolling.

Permission to apply any credit earned at another institution toward degree requirements must be approved by the program advisor, dean, or designee prior to enrolling in the course.

Audit Registration

A student who is interested in a particular course(s) but does not wish to take it for credit may audit the course(s). All attendance and work is voluntary. A student may register to audit a course during the registration period upon paying the required fee and obtaining the instructor's approval. Audit registrations do not appear on the academic transcript. A change from audit to credit registration or from credit to audit registration must be made during the registration period. See the schedule of classes for complete information on auditing a class.

Veterans and other eligible persons cannot be certified for audited courses per 38 CFR 21.4252(i) of the code of federal regulations.

Change in Major

Degree-seeking students who wish to change their major must complete the appropriate forms available in the Registrar's Office or on the web. Students who change their course of study are subject to any special admission and degree requirements in effect for the new major at the time of the change.

Confidentiality of Records and Notification of Rights under FERPA

The Family Educational Rights and Privacy Act (FERPA) affords students certain rights with respect to their education records. These rights include:

- (1) The right to inspect and review the student's education records within 45 days of the day the university receives a request for access. Students should submit to the registrar, dean, head of the academic department, or other appropriate official, written requests that identify the record(s) they wish to inspect. The university official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the university official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.
- (2) The right to request the amendment of the student's education records that the student believes are inaccurate. Students may ask the university to amend a record that they believe is inaccurate. They should write the university official responsible for the record, clearly identify the part of the record they want changed, and specify why it is inaccurate.

If the university decides not to amend a record as requested by the student, the university will notify the student of the decision and advise the student of his or her right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

- (3) The right to consent to disclosures of personally identifiable information contained in the student's education records, except to the extent that FERPA authorizes disclosure without consent. One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. A school official is a person employed by the university in an administrative, supervisory, academic or research, or support staff position (including law enforcement unit personnel); a person serving on the Board of Trustees; or a student serving on an official committee, or assisting another school official in performing his or her tasks. A school official has

a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

- (4) The right to file a complaint with the U.S. Department of Education concerning alleged failures by the university to comply with the requirements of FERPA. The name and address of the office that administers FERPA is:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, S.W.
Washington, D.C. 20202-4605

University Holds

University holds are a means of identifying students with unsatisfied financial or academic obligations to the university. Students with holds may not register until holds are released.

English Proficiency of Instructors

Governors State University has adopted a policy that all instructional staff shall be proficient in oral English. Students who have difficulty understanding an instructor should address their concerns to the chair of the division/department in which the instructor is teaching. If the Division/Department chair finds that the instructor's oral English proficiency is satisfactory, the chair will so notify the student, who may appeal the finding to the dean of the college in which the division/department is housed.

Honors

Governors State University recognizes outstanding academic performance of undergraduate degree-seeking students by giving special attention to those students who achieve excellence in their work. At the end of each term, degree-seeking students who have completed at least six hours of graded course work without any incomplete grades, with a grade point average of 3.70 or better, will be included on the Dean's List.

Undergraduate students who maintain a cumulative grade point average at Governors State University of 3.80 or better and have completed a minimum of 24 graded credit hours of Governors State University coursework will receive the following special recognition

G.P.A. of 3.80-3.89 Cum Laude
G.P.A. of 3.90-3.97 Magna Cum Laude
G.P.A. of 3.98-4.0 Summa Cum Laude

The achievement of Cum Laude, Magna Cum Laude or Summa Cum Laude will be designated on the eligible student's transcript and diploma.

The University Honors Program

While recognizing academic excellence, the University Honors Program is designed to give undergraduate students an opportunity to pursue an enriched education while attending Governors State University. In so doing, honors students develop greater depth within their academic major by completing advanced work within their existing curriculum. Additionally, honors students obtain greater breadth by taking an interdisciplinary honors seminar in which guest speakers from across the university's campus address a common integrative theme. Having been exposed to a rich diversity of academic perspectives, students then complete projects relevant to their academic majors. Lastly, students work on their final honors project in cooperation with a faculty mentor.

Curricular Components:

- one course within the student's major in which they "contract" with the instructor to do advanced work;
- one advanced interdisciplinary Honors Seminar; and
- an honors thesis/project/internship which is completed under the supervision of a faculty mentor.

Beyond the above enriched academic program, honors students also have the combined benefits of a speakers series, the support and guidance of a faculty mentor, participation in special social events, and membership in a community of scholars and learners. This will be reflected on the student transcripts and with a letter of commendation by the president of the university.

For more information, contact an academic advisor or the office of the director of the University Honors Program at 708.534.4578.

Transcripts

Students may request official transcripts of their records by writing to the Registrar's Office or submitting a transcript request form available on the web. Students should allow three working days for processing time from the date the transcript request is received. Due to the number of requests received during certain periods processing may take longer. Students who have an outstanding financial obligation to the university or who have not satisfied certain academic obligations will not receive transcripts until the obligation is met. GSU charges a fee of \$10 per transcript.

Academic Honesty

Students are expected to fulfill academic requirements in an ethical and honest manner. This expectation pertains to the following: use and acknowledgment of the ideas and work of others, submission of work to fulfill course requirements, sharing of work with other students, and appropriate behavior during examinations. These ethical considerations are not intended to discourage people from studying together or from engaging in group projects. The university policy on academic honesty appears in the appendix.

Academic Standing

Undergraduate students who maintain a minimum cumulative G.P.A. of 2.0, and graduate students who maintain a minimum cumulative G.P.A. of 3.0 are in academic good standing. Students must be in academic good standing to graduate.

Academic Probation/Suspension

Students failing to meet the required cumulative G.P.A. for academic good standing for the first time are placed on Probation I for the subsequent term. If a satisfactory G.P.A. is not achieved by the end of the Probation I term in which the student was enrolled for credit, the student shall be placed on Probation II for the next term. If a satisfactory G.P.A. is not achieved by the end of the Probation II term in which the student was enrolled for credit, the student shall be academically suspended from the university for one year. Students may appeal the length of suspension and seek early readmission through the University Committee on Readmission and Special Admission.

Reinstatement Following Academic Suspension

At the end of the suspension period, students dismissed for the first time will be eligible for reinstatement and may reenter the university provided they apply and petition for readmission through the University Committee on Readmission and Special Admission before established deadlines. Reinstated students reenter the university with the cumulative G.P.A. they had upon suspension and are readmitted on academic probation extended. This status allows students to continue as long as their term G.P.A. meets the minimum requirement for their level (undergraduate/graduate) for academic good standing, and they do not receive any grades of incomplete. Students are returned to academic good standing when their cumulative G.P.A. is raised to the minimum requirement for their level. Students failing to make

satisfactory progress after two suspensions may not be considered for readmission at any later time.

Withdrawal From the University

Any student who wishes to withdraw from Governors State University should follow the procedures and deadlines for withdrawing from courses. Unofficial withdrawal from the university may result in failing grades being assigned. Any student withdrawing from the university who is receiving financial aid or who has any outstanding accounts at the university must meet with a representative of the Financial Aid Office and/or the Business Office to satisfy all outstanding financial obligations.

Academic Amnesty

1. The university shall establish a readmission process to be called academic amnesty which allows students to have their grade point average calculated for the purpose of establishing academic standing, from the point of reentry forward.
2. Academic amnesty shall be granted only to students who have previously been suspended or on probation and have not been enrolled at GSU for at least three terms, including summer term, prior to applying for readmission with academic amnesty.
3. Readmission with academic amnesty must be to a major other than the major in which the student was previously enrolled.
4. The student's academic record of courses and grades shall not be changed nor deleted from the transcript as a result of reentry with academic amnesty; additionally, the transcript shall indicate that academic amnesty has been granted.
5. Subject to approval by the appropriate division/department chair and dean, a student's prior completed course work with grades of "C" or better for undergraduates, or "B" or better for graduates, may be applied to the new degree requirements. However, these grades shall not be used in calculating the grade point average from reentry forward.
6. All undergraduate students readmitted to the university with academic amnesty shall complete a minimum of 24 graded credit-hours after reentry, before graduation.
7. Graduate students readmitted to the university under academic amnesty must complete at least one-half of the number of credit-hours required for the degree in the new major prior to graduation, in addition to other requirements of the new major.
8. A student shall be granted academic amnesty by Governors State University only once.

Withdrawal From Courses

Students who register for a course but who do not attend classes must officially withdraw from the course to avoid receiving a failing grade. Students may officially withdraw from any or all course(s) through the end of the tenth week of classes during fall or spring terms or through the eighth week of classes during the summer term, (Note: Some short-term courses have more restricted deadlines.) Specific dates for withdrawal are published online each academic term. Students may petition via an established appeal process for exceptions to these deadlines based upon extenuating circumstances. A recommendation from a faculty member in whose course the student is registered or from a division/department chair is required as part of a complete petition for an exception. All appeals must be in writing and must be received in the Registrar's Office no later than the last day of the term in which the course is scheduled.

A student receiving any form of financial aid who withdraws from one or more courses must see a representative of the Office of Financial Aid for a review of the award. Withdrawals will appear on the student's academic record as "W" and will not be included in calculating a student's cumulative grade point average or academic standing. Withdrawals will be subject to the university's tuition refund policy, which is stated in this catalog and the schedule of classes.

The registrar may administratively withdraw a student from all courses with written, verified notification of illness, disciplinary reasons, or other reasons within established university policy. The Registrar's Office will notify the Academic Resource Center, Business Office, Financial Aid Office, and faculty member(s) of the withdrawal as appropriate. The appropriate offices will contact the student regarding the withdrawal. Such withdrawals will appear on the student's academic record as "X" (administrative withdrawal) and with an appropriate message. Administrative withdrawals do not appear on the official transcript.

DISTANCE LEARNING ACADEMIC SUPPORT AND SERVICES

Distance Learning

Governors State University provides alternative access to university programs through extended campus courses held at off campus locations, correspondence courses, online courses, and telecourses. Alternative delivery methods provide opportunities for students who need more flexibility in their schedules in order to participate in furthering their education. These courses are scheduled at times and in ways that give the students options. Descriptions can be found in the course description section of this catalog.

Governors State University recognizes that providing service to a diverse clientele over a wide geographic area requires significant levels of off-campus instruction. In support of its outreach efforts, the university offers a selection of degree and professional development courses at numerous locations in the Chicago metropolitan area and the surrounding region. Sequences of courses from undergraduate and graduate degree programs and degree completion opportunities are offered at off-campus teaching sites and online.

CERTIFICATION OF TEACHERS AND OTHER SCHOOL PROFESSIONALS

The following information is intended to serve as a general guide for candidates preparing to qualify for an Illinois teaching, school service, or school administration certificate. More information is available from the programs' advisors and from detailed program information elsewhere in this catalog.

The professional education unit at Governors State University is accredited by the National Council for Accreditation of Teacher Education (NCATE) and is approved by the Illinois State Board of Education (ISBE) to offer programs of study leading to the certificates, endorsements, and designations as follows:

GSU Degree Program Certificate/Endorsement/Designation

Undergraduate Programs:

Biology (Education)	Initial Secondary Certificate endorsed in Sciences with Biology designation
Chemistry (Education)	Initial Secondary Certificate endorsed in Sciences with Chemistry designation
Early Childhood Education	Initial Early Childhood Certificate (incorporates Early Childhood Special Education Approval)
Elementary Education	Initial Elementary Certificate
English (Education)	Initial Secondary Certificate endorsed in English Language Arts
Mathematics (Education)	Initial Secondary Certificate endorsed in Mathematics

Post-Baccalaureate and Graduate Programs:

Alternative Elementary Teacher Certification	Post-baccalaureate certificate program leading to Initial Elementary Teaching Certificate
Bilingual/ESL Endorsement	Post-baccalaureate approval program leading to Bilingual/ESL approval
Biology Education Certificate	Post-baccalaureate certificate program to prepare graduates of Biology programs for Initial Secondary Teaching Certificate endorsed in Sciences with Biology designation
Chemistry Education Certificate	Post-baccalaureate certificate program to prepare graduates of Chemistry programs for Initial Secondary Teaching Certificate endorsed in Sciences with Chemistry designation
Communication Disorders	School Service Personnel Certificate, endorsed as Non-Teaching Speech-Language Pathologist
Counseling (School Counseling)	School Service Personnel Certificate endorsed for School Counselor
Post Master's School Counselor Certification	School Service Personnel Certificate endorsed for School Counselor
Early Childhood Education	Initial Early Childhood Certificate (incorporates Early Childhood Special Education for Currently Certified Teachers Early Childhood Certificate (incorporates Early Childhood Special Education Approval)
Educational Administration	Administrative Certificate endorsed for Principal or Chief School Business Official
English Education Certificate	Post-baccalaureate certificate program to prepare English program graduates for the initial secondary teaching certificate
Mathematics Education Certificate	Post-baccalaureate certificate program to prepare Mathematics program graduates for the initial secondary teaching certificate
Multicategorical Special Education	Initial Elementary, Secondary, or Special Certificate endorsed in LBS I Unlimited
Reading	Initial Special Certificate endorsed for Reading Specialist. Note: a subset of this program provides the course work required to add a Reading Teacher endorsement to an existing certificate.
Reading Supervisory Endorsement Certificate	Open to graduates of and current candidates in the MA Reading program to earn the Supervisory Endorsement on the Initial or Standard Special Certificate in Reading

Middle Grades Endorsement

Candidates who are completing a program leading to the initial elementary or initial secondary certificate, or who currently hold an initial or standard elementary or secondary certificate, may earn an endorsement which qualifies them to teach in the middle grades. Candidates who choose to pursue this endorsement must take three hours in the psychology of early adolescent development and three hours in curriculum, instruction, and methods related to the middle grades.

These two required professional courses are offered at both the undergraduate and graduate levels. EDUC442 Early Adolescent Educational Psychology and EDUC443 Curriculum and Methods for Middle Schools are available for undergraduate candidates. EDUC642 Educational Psychology Applied to Middle School and EDUC643 Curriculum and Instruction in the Middle School are the corresponding courses designed for graduate candidates.

It is likely that additional endorsement content area courses will also be required. Complete information, including transcript evaluation, is available from the elementary and secondary teacher preparation programs. These requirements are subject to changes in state regulations that may occur from time to time.

Requirements for Certification through Approved Programs

To be recommended by Governors State University for any of the above ISBE credentials, an applicant must:

1. have earned the required degree from an institution recognized by the ISBE for teacher education;
2. have acquired requisite professional experience where stipulated for admission or completion of any of the listed programs;
3. have completed a Governors State University state-approved program leading to the desired credential;
4. be at least 19 years of age;
5. be in good health;
6. be a citizen of the United States or legally present and authorized for employment;
7. possess good character; and
8. present evidence of having passed all examinations required by ISBE. (Required examinations include the Basic Skills, Content, and Assessment of Professional Teaching tests. See an academic advisor for more information about examinations and requirements for specific programs.)

According to Illinois State Board of Education procedures, certificate recommendations made by the university for successful program completers are valid for three years. Candidates will be notified when their entitlements have been transmitted and are advised to apply for their certificates without delay after receiving

notification. Delay in filing an application could result in additional requirements should state regulations or program requirements change.

In order to receive any certificate or endorsement, applicants must have passed all examinations required by ISBE to receive the credential. This may include Assessment of Professional Teaching examinations, which may not be included in the requirements for graduation.

Criminal Background Checks

All candidates for Illinois teacher certification at Governors State University are required to submit to a program approved criminal background check prior to their initial field experience placement in schools. For more information on this requirement, please visit certifiedbackground.com. Consult with your advisor for information concerning the related GSU policies and procedures.

General Education Requirements

Course work for meeting the general education requirements of teacher preparation programs must be college-level work and may not include remedial courses even if college credit is granted. In general, this course work must be at the 100-level or higher and applicable toward a degree at the institution providing the instruction. No course with a grade below "C" will be applied toward general education requirements, even if the course was used for a prior degree. Candidates in teacher preparation programs must maintain a G.P.A. of 2.75 or higher in general education courses taken at Governors State University.

Candidates seeking the Initial Elementary Education Certificate, the Initial Early Childhood Certificate, or the Initial Secondary Certificate (endorsed in Biology, Chemistry, English, or Mathematics) must complete the general education requirements for their program as described in this catalog below. For Elementary Education, see page 105. For Early Childhood Education, see page 102. For Biology, see page 65; for Chemistry, see page 68; for English, see page 76; for Mathematics, see page 82.

Candidates seeking certification via the M.A. in Early Childhood Education or the M.A. in Multicategorical Special Education must satisfy the general education requirements identified in this catalog for the B.A. in Early Childhood Education, including at least one three-hour course in non-Western or Third World cultures. For Early Childhood Education and Multicategorical Special Education, see page 168.

Professional Education Requirements

Candidates who are working toward the **Initial Early Childhood, Elementary, or Special Certificates** must maintain a G.P.A. of 3.0 or higher in their professional education requirements, exclusive of student teaching. They must complete all professional courses with a grade of “C” or better. These requirements will include at least 100 clock-hours of pre-student teaching field experiences. To be recommended for certification, a student must achieve a grade of “B” or better in student teaching.

Candidates who are working toward an **Initial Secondary Certificate** must maintain a G.P.A. of 3.0 or higher in their professional education requirements, must earn a grade of “B” or better in both teaching methods courses (i.e., EDUC433 and EDUC434 for science, EDUC465 and EDUC520 for English, and EDUC436 and EDUC437 for mathematics), in EDUC310, and in EDUC499, and complete all other professional courses with a grade of “C” or higher.

Candidates pursuing the **Initial Early Childhood or Elementary Education Certificates** must complete the professional education requirements listed among the degree requirements for the associated programs elsewhere in this catalog. Students seeking an Initial Secondary Certificate must complete the following professional education requirements:

Initial Secondary Certificate Biology or Chemistry	Credit Hours
EDUC 310 Foundations of Education	3
EDUC 433 Principles of Science Education	3
EDUC 434 Teaching Secondary School Science	3
EDUC 440 Educational Psychology in Action	3
EDCP 500 Introduction to Educational Computing	3
EDUC 499 Student Teaching (secondary)	12
SPED 510 Survey of Exceptional Students	3

Initial Secondary Certificate English	Credit Hours
EDUC 310 Foundations of Education	3
EDUC 440 Educational Psychology in Action	3
EDUC 465 Methods of Teaching English	3
EDUC 520 Developmental Reading in Middle and Secondary Schools	3
EDCP 500 Introduction to Educational Computing	3
EDUC 499 Student Teaching (secondary)	12
ENGL 574 Reading Theory and Practice in Secondary Schools	3
SPED 510 Survey of Exceptional Students	3

Initial Secondary Certificate Mathematics	Credit Hours
EDUC 310 Foundations of Education	3
EDUC 440 Educational Psychology in Action	3
EDUC 436 Principles of Mathematics Education	3

EDUC 437 Teaching Secondary School Mathematics	3
EDCP 500 Introduction to Educational Computing	3
EDUC 499 Student Teaching (secondary)	12
SPED 510 Survey of Exceptional Students	3

Candidates earning an Initial Special Certificate with LBSI endorsement must complete the following professional education requirements along with all other requirements identified in the full degree requirements section elsewhere in this catalog:

Initial Special Certificate Endorsed LBS I Unlimited	Hours
EDUC 310 Foundations of Education	3

Admission to Student Teaching

Candidates must apply for admission to student teaching before enrolling in any of the university’s student teaching courses (e.g., EDEC499, ELED499, EDUC499, or SPED 699). An application for admission to student teaching must be submitted to the Director of Field Experiences in the Division of Education or, for the Multicategorical Special Education program, to the Program Coordinator. The application must be submitted by December 1 for placement for the following fall term or by January 31 for placement for the following spring term. Except in the Multicategorical Special Education program, student teaching is not offered during the summer term. This application for student teaching will certify that the candidate has or will have met the following requirements:

- 36-72 hours of general education requirements completed with a G.P.A. of 2.75 or higher in courses taken at Governors State University;
- all professional education course requirements completed, except student teaching, including a minimum of 100 clock-hours of field experiences with a G.P.A. of 3.0 or higher (see specific program information elsewhere in this catalog for other grade and G.P.A. requirements appropriate to specific programs);
- no more than nine approved general education credit-hours remaining to be completed in the major in which he/she is enrolled;
- has presented evidence of having passed the Illinois Certification Testing System Basic Skills Test and appropriate Content Examination(s);
- has met all Illinois State Board of Education requirements applicable to the subject matter area(s) in which the student will student teach; and
- has received a positive recommendation from program faculty.

All student teaching placements are provisional pending final verification that the candidate has met all eligibility requirements listed above and in program-specific sections elsewhere in this catalog. Final determination of eligibility will not be established until after final grades have been posted at the end of the term immediately preceding student teaching. Should any requirements remain unmet at that time, a candidate’s placement may be cancelled by the Director of Field Experiences in consultation with the coordinator of the program in which the candidate is enrolled.

Candidate Knowledge, Skills, and Dispositions

The Professional Education Unit includes all courses and programs that prepare P-12 school personnel and are primarily under the organization and administration of the College of Education. Undergraduate programs include Early Childhood Education, Elementary Education and Secondary Education (English, Biology, Chemistry and Mathematics). Graduate programs include Communication Disorders, School Counseling, Early Childhood Education, Education (with various areas of specialization), Educational Administration, Reading, Special Education and an Alternative Certification program for elementary teachers.

The secondary programs are housed in the College of Arts and Sciences; Communication Disorders is located in the College of Health and Human Services; all other programs are housed with the College of Education.

Consistent with the University’s mission, the Professional Education Unit is committed to preparing individuals to be successful in the fields of teaching, school administration, school counseling, and speech-language pathology.

The Professional Education Unit’s primary mission is to prepare real-world school professionals through programs of the highest academic quality. Continual assessment of practices and performance insures maintenance and improvement of program quality.

As outlined in its Conceptual Framework, the Professional Education Unit’s programs emphasize research-based best practices and engage candidates in processes of guided inquiry and reflective analysis in order to bring about candidates’ conceptual development and growth of their professional selves. This emphasis and these processes foster a reasoned eclectic approach, which empowers teachers and other school personnel to make the contextual adjustments necessary for optimizing student learning.

Based on this shared vision, the faculty, staff, and administration of GSU’s Professional Education Unit apply the following principles:

- maintain state approval and national accreditation of the unit and all of its programs.
- enhance existing programs as well as creating new programs, including doctoral studies.
- integrate wide-spread use of technology into curricula and into content and modes of instruction.
- maintain a current knowledge base and high ethical and academic standards.
- create and maintain a learning environment that is safe, supportive, and challenging.
- respond to civic and professional responsibilities, including providing access to traditionally underserved candidates in the region.
- foster an understanding and appreciation of the significance of human diversity in ethnicity, socio-economic status, gender, and learning styles.

Governors State University is strongly committed to rigorous assessment and evaluation of its candidates preparing for professional positions in the public schools. This includes rigorous assessment of each candidate’s knowledge, skills and dispositions.*

* “Disposition” as used here refers to “a tendency to exhibit frequently, consciously, and voluntarily a pattern of behavior that is directed to a broad goal” (Lillian Katz, *Dispositions as Educational Goals*, ERIC Digest (September, 1993), Urbana, IL: Clearinghouse on Elementary and Early Childhood Education).

The faculty evaluates each candidate’s performance in both academic and practical settings and assesses the dispositions displayed as the candidate encounters challenges, works with children and other adults, and pursues his/her own development. The standards and processes established for evaluation of candidate performance are outlined in the appropriate program section of this catalog or in other program-related materials such as candidate program handbooks and the professional Education Unit’s System of Assessment.

At the undergraduate level, the programs expect that candidates will:

- seek to stimulate and expand student learning as well as their own
- practice inquiry in the area of their subject matters;
- select and use a variety of professional strategies in a way reflective of reasoned eclecticism;
- believe that all children can learn and use strategies to support learning;

- are dedicated lifelong learners, especially in the area of their profession;
- seek, support, and celebrate diversity;
- exhibit academic integrity and high ethical standards;
- employ technology as a tool for teaching and learning;
- practice inquiry in the area of research-based best practices and innovations;
- seek to understand and interact with their communities;
- value and engage in reflection and self-assessment;
- work independently and collaboratively to find solutions to educational challenges; and
- take a reasoned eclectic approach to analyze educational settings and students' needs in making immediate and long-term professional decisions.

Along with the dispositions identified above, the unit's advanced programs expect that their candidates will:

- provide leadership in communicating information about research-based best practices in their school and their professions;
- provide leadership in collaborative efforts to solve educational challenges;
- provide mentoring and support for professional colleagues;
- practice reasoned eclecticism in evaluating and implementing new interventions; and
- understand, value, and implement their own classroom and school research to discover solutions for age-old and contemporary challenges.

BACHELOR'S DEGREE REQUIREMENTS

The goal of undergraduate programs is to encourage the development of the individual's values and talents which may be employed in solving the problems of a complex society. Special emphasis is directed to the development of the student's capacity for independent judgment and creative thought. Undergraduate study combines both theory and practice to educate students and to prepare them for the world of work.

Governors State University is an upper division university offering transfer students from community colleges, as well as those from four-year institutions, the opportunity to further their education. The fundamental charge of undergraduate study at Governors State University is to extend the educational opportunities for students who have completed the equivalent of two or more years of college work. Baccalaureate degree programs build on this foundation and offer an integrated two years of study to fulfill degree requirements. Degree candidates should approach their academic careers with a sense of what they have already accomplished as well as that which remains to be achieved.

Undergraduate Student Status

Undergraduate degree-seeking students are those students admitted to an undergraduate degree program.

Articulation Agreements

To minimize transfer problems for students, Governors State University and area community colleges have developed articulation agreements that help students plan bachelor's degree programs beginning at the community college and finishing at Governors State University. These agreements assure smooth transition from lower-division study to upper-division study and completion of a bachelor's degree. GSU also participates in the Illinois Articulation Initiative (IAI). The General Education Core Curriculum (GECC) is accepted to meet general education requirements. In addition, GSU accepts the Major Panel recommendations for transfer. Students will receive credit for those courses recommended by the panels and successfully completed.

Student Study Plan

Student study plans are developed with advisors before the end of the first semester of enrollment. The advisor will explain the degree program and, with the student, develop a study plan that will lead to degree completion of the selected major. The student study plan will detail the degree requirements for the major selected in effect at the time of admission as a degree-seeking student. It will specify the amount of transfer credit, proficiency credit, and credit for experiential learning applied toward the degree requirements; the total credit-hour requirement for the degree; required and elective courses; and the maximum number of credit-hours and/or courses that can be taken off-campus and applied toward the degree.

Students are encouraged to contact faculty members in specific discipline areas in which they have interests for additional academic advisement.

The study plan must be reviewed and updated whenever a student:

1. applies for acceptance of transfer credit earned from another institution after enrollment at Governors State University;
2. wishes to substitute course work specified on the plan;
3. changes majors; or
4. is readmitted.

Students choosing to take courses not specified in their study plan may find that such credit may not apply toward the degree requirements.

Orientation

Research, combined with the experience of numerous colleges and universities, makes a convincing case that a thorough orientation for students of all ages leads to a greater probability of their success and ultimate graduation. Therefore, all undergraduate students are required to complete an online orientation program before registering for classes. Academic advising is required before a student may register. Programs may also have required program specific orientations.

Undergraduate Degree Programs Offered

Each undergraduate degree program includes a major, and in some cases, a concentration, teaching concentration, or minor.

Student Responsibility

Students are responsible for knowledge of, and adherence to, all university requirements and regulations.

Students are also responsible for knowing the degree requirements for their major and enrolling in courses that meet those degree requirements.

Students are strongly encouraged to seek information and assistance from appropriate staff should they have any questions regarding requirements or regulations.

General Requirements

The following general requirements for the bachelor's degree are minimum standards established by the university. Colleges and individual majors may determine additional, more specific requirements that will be incorporated into an approved student study plan.

To graduate with a bachelor's degree, an undergraduate student must meet the following minimum university degree requirements:

1. Complete a minimum of 120 credit-hours.
2. Satisfactorily complete the university online orientation.
3. Complete a minimum of 45 upper-division credit-hours, which may include upper-division transfer credit.
4. Satisfy the university general education requirements.
5. Be in academic good standing with a minimum 2.0 cumulative G.P.A.
6. Satisfy the residency requirements.
7. Demonstrate that all degree requirements, as defined in the approved student study plan, have been met.

8. Remove all grades of incomplete (I or E) by the graduation processing date.
9. Meet all financial obligations to the university.
10. Satisfy the university policy on technology outcomes for students.
11. Complete the collegial and university procedures that cover implementation of the above requirements.

In addition to the requirements stated above, an undergraduate may:

1. Apply to degree requirements no more than 18 credit-hours earned as an undeclared student.
2. Apply to degree requirements no more than 12 credit-hours earned in the pass/no credit grading option.
3. Apply to degree requirements no more than nine credit-hours earned in independent studies.

Transfer Credit for Undergraduate Students

The following requirements apply to courses being transferred from colleges and universities accredited by regional accrediting agencies. Students seeking to apply transfer credit from non-accredited institutions toward degree requirements must petition the dean of the college in which the major is offered. Transfer credits that are accepted toward degree requirements will be entered in the student study plan.

Transfer of Prior Credits. Credits earned in courses at other universities or earned as an undeclared student at Governors State University will be accepted in accordance with the following rules:

1. Up to 75 credit-hours* of lower-division transfer credit may be accepted upon review by the program faculty.
- * IDSS program requirements may differ.
2. Ordinarily, only credits earned with a grade of "C" or better or "P" (pass) will be considered for transfer credit at the lower-division level. Credits with grades of "D" may be considered for transfer if the cumulative grade point average for transfer credit is at least 2.00 (on a 4.00 scale) or if the credit was accepted for the associate's degree.
3. Only credits earned with a grade of "C" or better or "P" (pass) will be considered upper-division transfer credit or satisfactory completion of course prerequisite or corequisite.
4. No more than 18 credit-hours earned as an undeclared student may be applied toward degree requirements.
5. Only credits earned with a grade of "C" or better or "P" (pass) may be applied to meet university general education requirements.
6. Transfer credits are applied toward specific degree requirements on a course-by-course basis by the academic advisor.
7. Some individual degree programs have limited the time period within which transfer course credit must have been earned in order to be applied toward degree requirements.

Transfer credit should be reviewed before admission to Governors State University to avoid duplication of course work. The review of transfer credit must be completed no later than the end of the first term of enrollment as a degree-seeking student.

Transfer Credit Earned After Admission

Credits earned in courses taken at another institution, after admission to a degree program, will only be accepted if permission to apply such credit toward degree requirements was obtained from the student's academic advisor and the dean before taking course work at the other institution. Only courses with grades of "C" or better will be applied toward degree requirements.

University General Education Requirement

The general education requirement at Governors State University provides graduates with a broad foundation in the liberal arts and sciences. All undergraduate degree-seeking students are required to meet the university general education requirement before graduation.

Students may fulfill this requirement in any of six ways:

1. Transfer to Governors State University having earned an Associate of Arts (A.A.) or Associate of Science (A.S.) degree from a regionally-accredited Illinois community college. Please note: the Associate of Fine Arts (A.F.A.), Associate of Engineering Sciences (A.E.S.), and the Associate of Applied Science (A.A.S.) do not meet this requirement.
2. Provide documentation of having earned a bachelor's degree from any one of the twelve state universities in Illinois.
3. Complete the Illinois Articulation Initiative General Education Core Curriculum (GECC) at another institution and have it noted on the transcript.
4. Complete an approved undergraduate teacher education program at Governors State University.
5. Complete one of the undergraduate business programs.
6. Complete the distribution requirements with a grade of "C" or better in each course. Requirements may be met either by presenting acceptable transfer courses as evaluated by the GSU Admission Office or completing courses that were specifically approved for meeting the relevant general education requirement at Governors State University

Communication: 3 courses (9 credits)*, including two courses in writing (6 credits) and one course (3 credits) in oral communication.

Mathematics: 1 to 2 courses (3 to 6 credits).*

Physical and Life Sciences: 2 courses (7 to 8 credits)* with one course selected from the life sciences and one course from the physical sciences, including at least one laboratory course.

Humanities and Fine Arts: 3 courses (9 credits)* with at least one course selected from humanities and at least one course from the fine arts.

Social and Behavioral Sciences: 3 courses (9 credits)* with courses selected from at least two disciplines.

TOTAL: 12 to 13 courses (37 to 41 credits)

* For the quarter hour conversion, please contact the Office of Admission or an academic advisor.

Information on specific courses that may be applied to the general education course requirements may be obtained from the Admission Office, the website at www.govst.edu/gened or from academic advisors.

Academic Standing

Undergraduate students who maintain a minimum cumulative grade point average of 2.0 are in good standing.

Writing Across the Curriculum Requirement

Governors State University recognizes that today's successful graduates must be excellent communicators. To ensure that GSU graduates meet this standard of excellence, the university has developed a program that emphasizes written and oral communication in each degree area. Known as Writing Across the Curriculum (WAC), this program allows faculty and students to use writing as a vehicle for learning. WAC applies the most current knowledge from education and composition studies to a variety of specially designated writing courses that help students master the language conventions used by members of given fields. This mastery is a key factor not only in academic success, but also in professional success after graduation.

Students are required to complete at least one WAC writing course in their major before receiving a bachelor's degree. Program advisors or the Registrar's Office can provide information on which courses in the program qualify as WAC writing courses.

Residency Requirements

All undergraduate degree-seeking students are required to earn a minimum of 24 credit-hours of course work from Governors State University before being awarded a bachelor's degree.

Technology Competency Requirement

Governors State University recognizes that computer and information technologies are integral features of our culture and that mastery of basic technology is essential for success in school and the workplace. To ensure such mastery, each academic program will incorporate technological competencies into its curricula and assess expected outcomes. At a minimum, students must demonstrate their ability to: 1) use appropriate software for the development of papers, reports, and other assignments; 2) conduct searches on the Internet and use library databases to access relevant literature; and 3) send and receive electronic mail with attachments. Achievement of these minimal competencies will be verified on the student's application for graduation by the advisor.

University Minors

Various academic divisions within the university offer minors available to degree-seeking students who wish to pursue organized course work in addition to their major field of study. The requirements for each minor are listed elsewhere in this catalog.

To earn a minor, a student must do the following:

1. meet all university and collegial requirements for the baccalaureate degree;
2. complete the specific course requirements for the minor as described in the catalog and detailed in a study plan approved by a faculty advisor in the minor discipline. Credit-hours can count toward both a major and a minor, provided they are accepted on both study plans;
3. earn at least one-half of the required credit-hours from Governors State University. Transfer courses should be submitted to the minor advisor for approval by the first week of the trimester in which graduation is intended;
4. satisfy all applicable collegial requirements, including minimum grade requirements for courses applied to the minor; and
5. complete and apply for the minor at the time of degree completion by submitting an approved student study plan for each minor with the application for graduation.

Second Bachelor's Degree

A student having earned a bachelor's degree may earn a subsequent bachelor's degree at Governors State University by:

1. Applying and being admitted to the undergraduate degree program.
2. Meeting requirements of the University Residency Policy for the subsequent degree. Hours applied toward the first degree may not be included in hours required to meet residency requirements.
3. Completing all requirements of the subsequent degree program as stipulated in the student study plan.
4. Meeting university, college/school and/or major degree requirements for the subsequent degree.

Application for Graduation

Students should arrange to meet with their assigned academic advisors to review the student study plan and verify expected completion of degree requirements. They should apply for graduation by the published deadline for the term in which they plan to have all requirements met. Students should complete both an Application for Graduation form and a Student Progress Report form, available on the web or in the Registrar's Office. Upon completion of these forms, students should have no more than 16 credit-hours outstanding toward degree requirements, either as incomplete work or as current enrollment at the time of application. The application is approved by the advisor, division/department chair, and dean. Approval by the Registrar's Office results in degree certification and awarding of the diploma. A \$50 graduation application fee covers costs of diplomas and commencement.

Commencement

Commencement is held twice a year, in January or February and also in May or June. Participation is optional. Students who have graduated in August or December of the previous year may participate in the January or February commencement, while those who have graduated in May of the current year may participate in the May or June commencement. Participation in commencement is limited to students who have been certified by the registrar as having completed all requirements for the degree, and as having no financial obligations to the university.

Diplomas

Diplomas are awarded only upon verification of completion of all degree requirements and satisfaction of all financial obligations to the university. Diplomas are inscribed with the type of degree, major, date, and the student name on record at the time the degree was confirmed.

Audit Registration

A student who is interested in a particular course(s) but does not wish to take it for credit may audit the course(s). All attendance and work is voluntary. A student may register to audit a course during the registration period upon paying the required fee and obtaining the instructor's approval. Audit registrations do not appear on the academic transcript. A change from audit to credit registration or from credit to audit registration must be made during the registration period.

Veterans and other eligible persons cannot be certified for audited courses per 38 CFR 21.4252(i) of the code of federal regulations.

Change in Major/Change of Status

Degree-seeking and Undeclared students who wish to change their major and/or concentration must complete the appropriate forms available on the web or in the Registrar's Office. Students who change their course of study are subject to any special admission and degree requirements in effect for the new major and/or concentration at the time of the change.

MASTER'S DEGREE REQUIREMENTS

Graduate education is the pursuit of knowledge at an advanced level. Graduate education is distinct and different from undergraduate education both in kind and degree. It demands of students' greater intellectual maturity and autonomy, a sense of deeper responsibility for their own learning, more intense study, and the mastery of different and more complex skills. An earned graduate degree is a distinction. Award of the degree symbolizes both the student's accomplishment and the university's endorsement. A student may judge his or her own achievement, but the university must decide what it will or will not endorse. Specifically, graduate education imposes certain obligations, and a student receiving a master's degree must have demonstrated the following:

1. an in-depth knowledge of significant theories, issues and findings, and mastery of appropriate skills within a specific discipline;
2. the ability to apply such knowledge and skills;
3. the ability to read, interpret, and evaluate research literature and to relate results to selected areas of interest;
4. the ability to analyze problems and to critique attempted solutions, especially within the student's own discipline;
5. the ability to integrate knowledge from a variety of disciplines;
6. the ability to design and implement a research, scholarly, or creative project; and
7. the ability to communicate scholarly thought to professional colleagues through writing and discussion.

Master's Degree Student Status

There are two categories of master's degree-seeking students.

Master's degree-seeking students are those students admitted to a master's degree program.

Master's degree candidates are those degree-seeking students who have applied for and been admitted to candidacy.

Student Study Plan

Student study plans are developed with advisors before the end of the first term of enrollment. The advisor will explain the degree program and, with the student, develop a study plan that will lead to degree completion of the selected major. The student study plan will detail the degree requirements for the major selected in effect at the time of admission as a degree-seeking student. It will specify the amount of transfer credit, proficiency credit, and credit for experiential learning applied toward the degree requirements; the total credit-hour requirement for the degree; required and elective courses; and the maximum number of credit-hours and/or courses that can be taken off campus and applied toward the degree.

Students are encouraged to contact faculty members in specific discipline areas in which they have interests for additional academic advisement.

The study plan must be reviewed and updated whenever a student:

1. applies for acceptance of transfer credit earned from another institution after enrollment at Governors State University;
2. wishes to substitute course work specified on the plan;
3. changes majors; or
4. is readmitted.

Students choosing to take a course not specified in their study plan may find that such credit may not apply toward the degree requirements.

Student Responsibility

Students are responsible for knowledge of, and adherence to, all university requirements and regulations.

Students are also responsible for knowing the degree requirements for their major and enrolling in courses that meet those degree requirements and regulations.

Students are strongly encouraged to seek information and assistance from appropriate staff should they have any questions regarding requirements or regulations.

Master's Degree Candidacy

A master's degree-seeking student is granted master's degree candidacy status when the student:

1. has an approved graduate study plan;
2. is in academic good standing;
3. completes the candidacy requirements specified by the major; and
4. receives approval of an application for admission to candidacy.

General Requirements

The following general requirements for the master's degree are minimum standards established by the university. Colleges and individual majors may determine additional, more specific requirements that will be incorporated into an approved student study plan.

To graduate with a master's degree, a master's degree student must meet the following minimum university degree requirements:

1. Complete the number of credit-hours specified by program requirements (minimum 32) by taking graduate-level courses of which at least two credit-hours are designated as a master's final project.
2. Complete a minimum of 12 graded credit-hour graduate-only courses (numbered 800-999).
3. Complete all course work for the degree requirements with a grade of "C" or better.
4. Be in academic good standing with a minimum 3.0 cumulative G.P.A.
5. Be admitted to master's degree candidacy at least one term before the term in which the degree is to be awarded.
6. Complete a master's final project, which can include a thesis, project, practicum/internship, or in some other way demonstrate an integration of graduate work that is accepted by a committee of three approved faculty.
7. Complete all course work for the degree, except the final project, within four years of admission to candidacy. The final project must be completed within five years of admission to candidacy.

8. Complete no more than 50 percent of the credit-hours counted toward degree requirements from the same faculty member, including credit-hours related to the master's final project.
9. Apply to degree requirements no more than eight graduate credit-hours awarded for experiential learning through the established procedures.
10. Apply to degree requirements no more than six graduate credit-hours earned as a non-degree seeking student.
11. Satisfy the residency requirement.
12. Remove all grades of incomplete (I or E) by the graduation processing date.
13. Complete the collegial and university procedures that cover implementation of the above requirements.

In addition to the requirements stated above, a master's degree student must:

1. Apply to degree requirements no more than six credit-hours earned in independent studies.
2. Demonstrate that all degree requirements have been met as stipulated in the approved study plan.
3. Meet all financial obligations to the university.

Master's Final Project

A master's degree candidate prepares a thesis or project, does a practicum/internship, or in some other way demonstrates an integration of work that is accepted by a committee of three approved faculty.

The master's final project may differ in each major; however, a student is required to do one or more of the following:

1. The Master's Thesis-The master's thesis presents evidence of a thorough review and understanding of the literature germane to the subject; the ability to do independent research; and the preparation of a manuscript, which conforms to generally recognized standards of scientific and scholarly writing in the discipline.
2. The Master's Project-The master's project is a sustained work that intellectually supports the degree program but, which may not be, in its entirety, a written document or an internship (for example, a creative project in the fine arts). It provides evidence of the ability and effort to carry out a major application of theory or advanced methods relative to the master's level work in the profession or discipline.
3. The Graduate Practicum/Internship-The graduate practicum/internship provides an opportunity for the student to evaluate the relevance of theoretical and academic perspectives in the professional field.
4. Additional Study-One or more graduate-only (numbered 800-999) courses may be designated as a

master's final project alternative.

5. Comprehensive Examination-A comprehensive examination in combination with one or more of the above alternatives may be designated as a master's final project alternative.

Transfer Credit for Master's Degree Students

The following requirements apply to courses being transferred from colleges and universities accredited by regional accrediting agencies. The College of Business and Public Administration and some individual degree programs have more restrictive limits on the amount of transfer credit accepted and the time period within which transfer credit must have been earned to be applied toward degree requirements.

Transfer of Prior Credits. Credit earned in courses taken before enrollment as a degree-seeking student at Governors State University or earned as an undeclared student at Governors State University will be accepted in accordance with the following rules. Transfer credits that are accepted toward degree requirements will be entered in the student study plan.

1. The number of transfer hours accepted shall not exceed 25 percent of the total hours required in the major.
2. Only credits earned with a grade of "B" or better or "P" (pass) will be considered for transfer credit.
3. Transfer credits earned ten or more years before the student's admission to a degree program at Governors State University will not be accepted toward the degree requirements unless approved by the appropriate academic dean.
4. No more than six credit-hours earned as a master's level non-degree seeking student may be applied toward degree requirements.
5. No more than nine credit-hours earned as graduate credit beyond the bachelor's degree requirements in a GSU undergraduate student's final term may be applied toward master's degree requirements. (Note: Undergraduate students may enroll in graduate only (800-999 level) courses only with written permission of the course instructor and the dean of the college in which the course is offered.)
6. Transfer credits are applied toward specific degree requirements on a course-by-course basis by the academic advisor.

Transfer credit should be reviewed before admission to Governors State University to avoid duplication of course work. The review of transfer credit must be completed no later than the end of the first term of enrollment as a degree-seeking student.

Transfer Credits Earned After Admission. Credits earned in courses taken at another institution after admission to a degree program will only be accepted if permission to apply such credit toward degree requirements was obtained from the student's academic advisor and the dean before taking course work at the other institution. Only courses with grades of "B" or better will be applied toward degree requirements.

Academic Standing

Graduate students who maintain a minimum cumulative grade point average of 3.0 are in good standing.

Residency Requirements

All master's degree-seeking students are required to earn a minimum of 24 credit-hours of course work from Governors State University before the award of the master's degree.

Requirements for a Second Master's Degree

A student who has earned a master's degree at Governors State University or another institution may earn a second master's degree at the university, provided that all specified requirements for both degrees are fully met. A student who wishes to earn a second master's degree must:

1. apply and be admitted to the second master's degree program;
2. meet university, college, and/or major degree requirements for the subsequent degree;
3. complete all requirements of the subsequent degree program as stipulated in the student study plan;
4. meet the requirements of the university's residency policy for the subsequent degree by taking a minimum of 24 hours at Governors State University. Hours applied toward the first degree may not be included in hours required to meet residency requirements for a second degree; and
5. credits earned and applied toward any degree previously earned may not be applied toward a second or additional degree. Students pursuing two or more degrees simultaneously may not apply the same credit to more than one degree except in cases where the same courses are part of the required or selective courses for both degrees.

Application for Graduation

Students should arrange to meet with their assigned academic advisors to review the student study plan and verify expected completion of degree requirements. They should apply for graduation by the published deadline for the term in which they plan to have all requirements met. Students should complete both an Application for Graduation form and a Student Progress Report form, available on the web or in the Registrar's Office. Upon completion of these forms, students should have no more than 16 credit-hours outstanding toward degree requirements, either as incomplete work or as current enrollment at the time of application. The application is approved by the advisor, division/department chair, and dean. Approval by the Registrar's Office results in degree certification and awarding of the diploma. A \$50 graduation application fee covers costs of diplomas and commencement.

Commencement

Commencement is held twice a year in January or February and in May or June. Participation is optional. Students who have graduated in August or December of the previous year may participate in the January/February commencement, while those who have graduated in May of the current year may participate in the May or June commencement. Participation in commencement is limited to students who have been certified by the registrar as having completed all requirements for the degree and as having no financial obligation to the university.

Diplomas

Diplomas are awarded only upon verification of completion of all degree requirements and satisfaction of all financial obligations to the university. Diplomas are inscribed with the type of degree, major, date, and the student name on record at the time the degree was confirmed.

Audit Registration

A student who is interested in a particular course(s) but does not wish to take it for credit may audit the course(s). All attendance and work is voluntary. A student may register to audit a course during the registration period upon paying the required fee and obtaining the instructor's approval. Audit registrations do not appear on the academic transcript. A change from audit to credit registration or from credit to audit registration must be made during the registration period.

Veterans and other eligible persons cannot be certified for audited courses per 38 CFR 21.4252(i) of the code of federal regulations.

Change in Major/Change of Status

Degree-seeking students who wish to change their major and/or sequence must complete the appropriate forms available on the web or in the Registrar's Office. Students who change their course of study are subject to any special admission and degree requirements in effect for the new major and/or sequence at the time of the change.

DOCTORAL DEGREE REQUIREMENTS

Student Responsibility

Students are responsible for knowledge of, and adherence to, all university requirements and regulations.

Students are also responsible for knowing the degree requirements for their major and enrolling in courses that meet those degree requirements and regulations.

Students are strongly encouraged to seek information and assistance from appropriate staff should they have any questions regarding requirements or regulations.

Student Learning Outcomes

A student receiving a doctoral degree must have demonstrated the following:

1. an in-depth knowledge of significant theories, issues and findings, and mastery of appropriate skills within a specific discipline;
2. the ability to apply such knowledge and skills;
3. the ability to read, interpret, and evaluate research literature and to relate results to selected areas of interest;
4. the ability to analyze problems and to critique attempted solutions, especially within the student's own discipline;
5. the ability to integrate knowledge from a variety of disciplines;
6. the ability to design and implement a research, scholarly, or creative project; and
7. the ability to communicate scholarly thought to professional colleagues through writing and discussion.

These general learning outcomes are in addition to any program-specific learning outcomes.

Student Study Plan

Student study plans are developed with advisors before the end of the first semester of enrollment. The advisor will explain the degree program and, with the student, develop a study plan that will lead to degree completion of the selected major. The student study plan will detail the degree requirements for the major selected in effect at the time of admission as a degree-seeking student. It will specify the total credit-hour requirement for the degree; required and elective courses; and the maximum number of credit-hours and/or courses that can be taken off campus and applied toward the degree.

Students are encouraged to contact faculty members in specific discipline areas in which they have interests for additional academic advisement.

The study plan must be reviewed and updated whenever a student:

1. applies for acceptance of transfer credit earned from another institution after enrollment at Governors State University;
2. wishes to substitute course work specified on the plan;
3. changes majors; or
4. is readmitted.

Students choosing to take a course not specified in their study plan may find that such credit may not apply toward the degree requirements.
