

# Allow Pop-ups: Yahoo Toolbar

**Step 1.** Click the icon to open the configuration menu window

# Allow Pop-ups: Yahoo Toolbar

The screenshot shows the Microsoft Internet Explorer browser window. The title bar reads "Log in to Blackboard Learning System - Microsoft Internet Explorer". The address bar contains the URL "http://143.43.32.212/webct/entryPageIns.dowebct". The Yahoo! toolbar is visible below the address bar. A context menu is open over the toolbar, showing options for pop-up blocking. The option "Always Allow Pop-Ups From..." is highlighted with a red box, and a red arrow points to it from a text box.

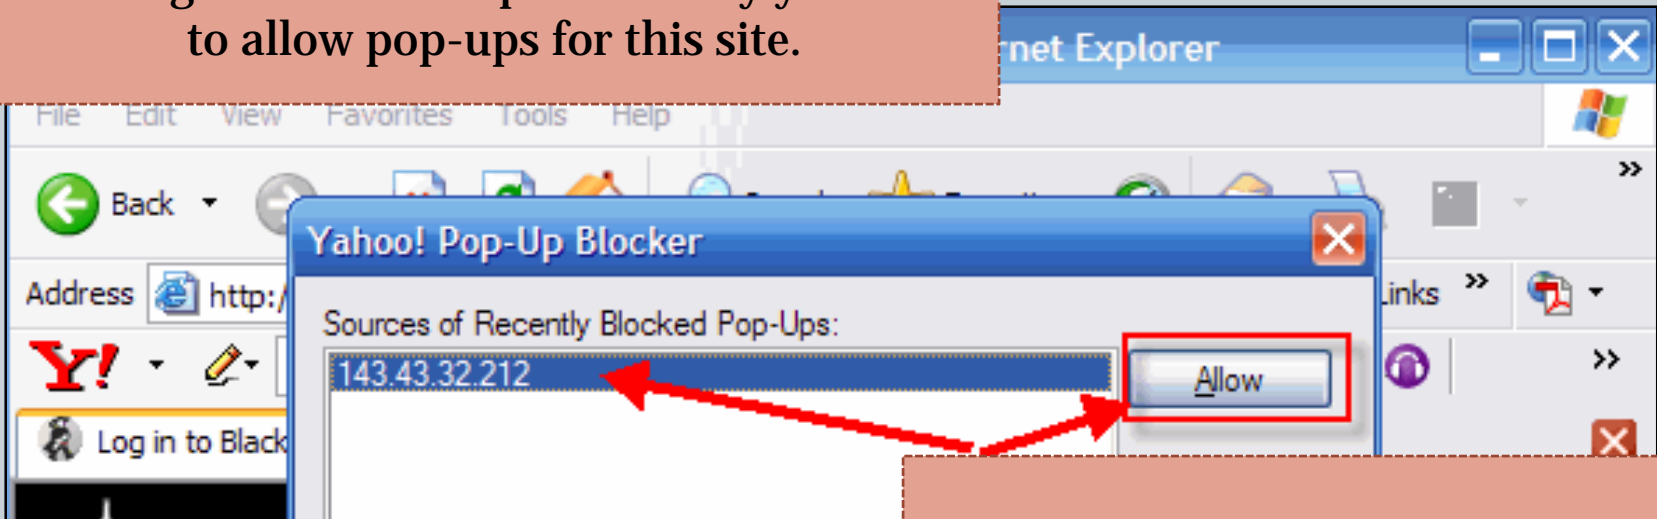

**Step 2.** Click "Always Allow Pop-ups from this Site"

- ✓ Enable Pop-Up Blocker
- ✓ Play Sound When Pop-Up Is Blo
- Always Allow Pop-Ups From...**
- Total Pop-Ups Blocked: 0

# Allow Pop-ups: Yahoo Toolbar

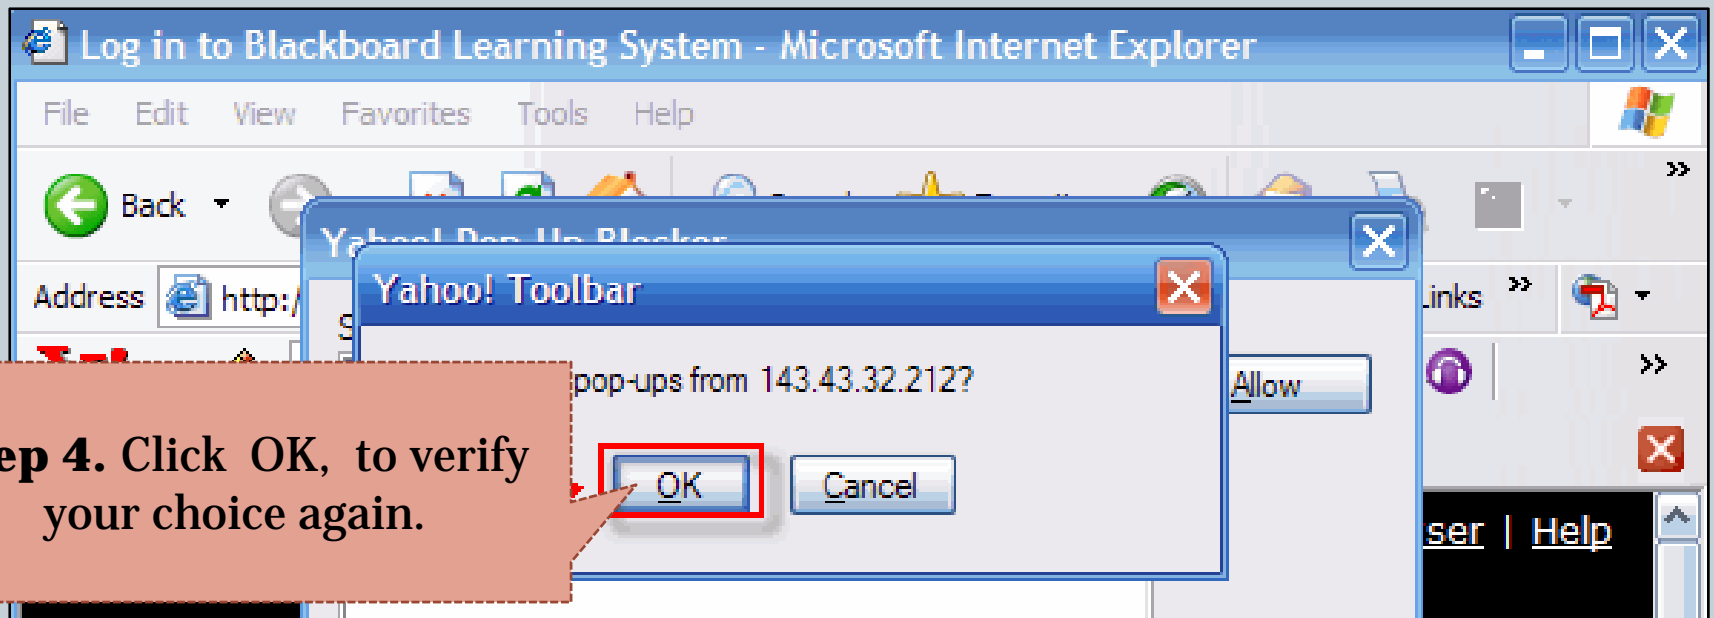

A dialog window will open to verify you want to allow pop-ups for this site.

**Step 3.** Pick the Allow Button

# Allow Pop-ups: Yahoo Toolbar

**Step 4.** Click OK, to verify your choice again.
