Pop-up Blocker Check

The Learning System sometimes uses small browser windows to deliver requested content. Some pop-up blockers incorrectly interpret these small windows as pop-ups and block them. If you have installed a pop-up blocker, turn it off while using the Learning System.

For more information about how to turn off pop-up blockers, go to www.webct.com

Step 1. Click OK

Allow Pop-ups: Internet Explorer 6 & 7

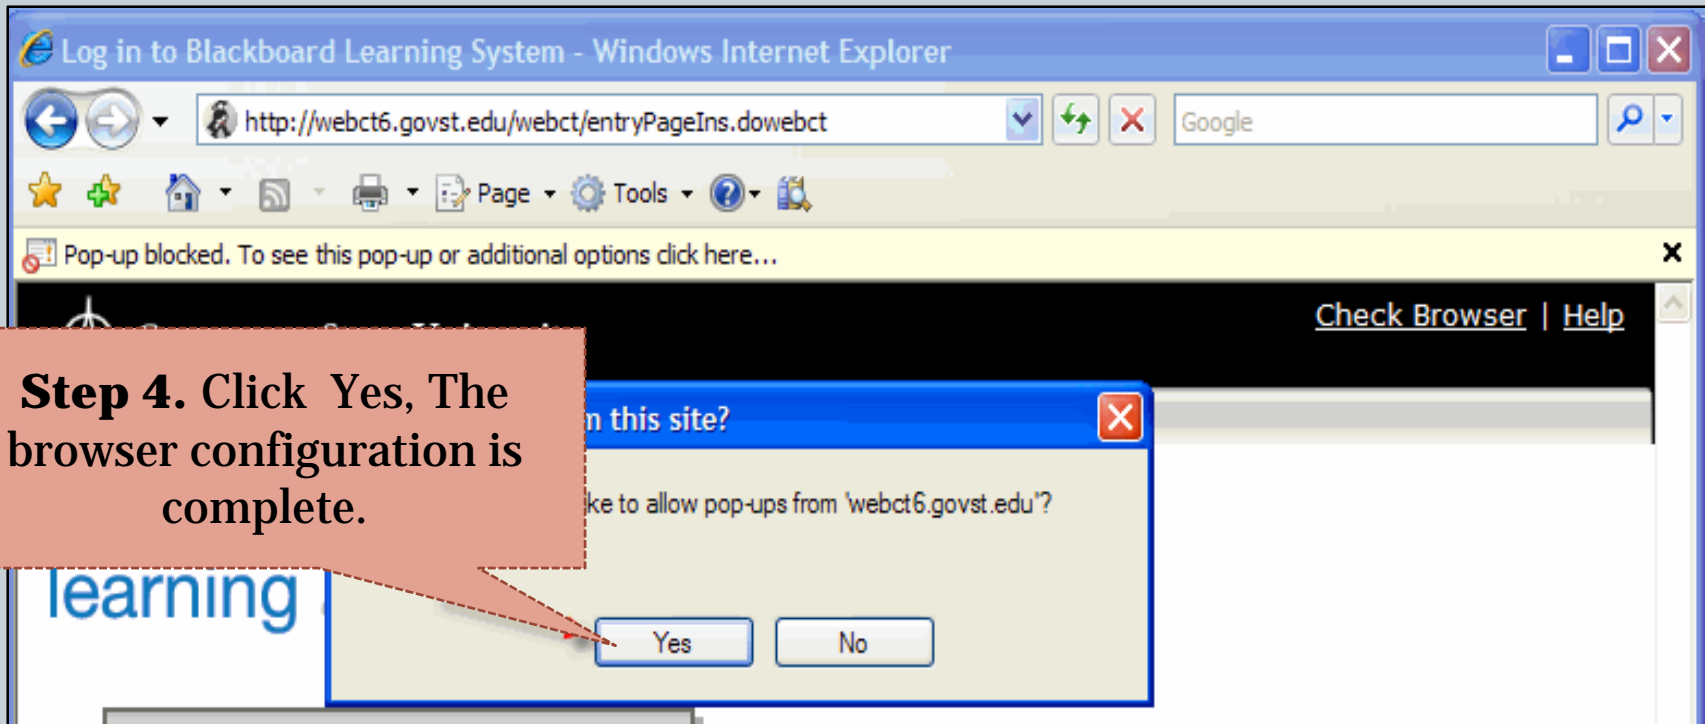

Step 2. Click the yellow bar

The screenshot shows the Internet Explorer 6 interface. The address bar displays the URL `http://webct6.govst.edu/webct6/.../PageIns.dowebct`. A yellow notification bar at the bottom of the browser window reads "Pop-up blocked. To see this pop-up or additional options click here...". A context menu is open over this bar, with the following options: "Temporarily Allow Pop-ups", "Always Allow Pop-ups from This Site...", "Settings", and "More information". The "Always Allow Pop-ups from This Site..." option is highlighted with a red border. A red arrow points from the "Step 2" text box to the yellow bar, and another red arrow points from the "Step 3" text box to the highlighted menu option.

Step 3. Click "Always Allow Pop-ups from this Site"

Allow Pop-ups: Internet Explorer 6 & 7

The screenshot shows the Internet Explorer 6 browser window. The title bar reads "Log in to Blackboard Learning System - Windows Internet Explorer". The address bar contains the URL "http://webct6.govst.edu/webct/entryPageIns.dowebct". A yellow notification bar at the top of the page content area states "Pop-up blocked. To see this pop-up or additional options click here...". A dialog box is open in the foreground, asking "Do you want to allow pop-ups from 'webct6.govst.edu'?" with "Yes" and "No" buttons. A red dashed box highlights the "Yes" button, with a callout box containing the text "Step 4. Click Yes, The browser configuration is complete." The background page shows the "learning" logo.

Step 4. Click Yes, The browser configuration is complete.
