

City and State Resources Guide

Whether looking for employment at the city, state or federal level, opportunities exist through the official agencies listed in the following websites.

City of Chicago

<http://egov.cityofchicago.org/city/webportal/home.do>

Official City of Chicago website

(To access resources for city positions: under “Programs & Initiatives”, click on “employment.” On the next screen, under “services”, click on “Access job postings at city locations.” On the next screen, at the very bottom of the screen, click on “Apply for City of Chicago jobs online.”)

Cook County Departments

<http://www.cookcountysheriff.org/>

Cook County Sheriff's Office

<http://www.co.cook.il.us/>

Cook County, Illinois Information website

Will County Departments

<http://www.willcountyillinois.com/>

Will County, Illinois

<http://www.willcountycircuitcourt.com/employment/employment.htm>

Will County Circuit Court

State of Illinois Job Links

<http://www.illinois.gov/jobs/>

The State of Illinois Job Opportunities page gives access to many employing agencies within Illinois.

<http://www.sos.state.il.us/>

The Illinois Secretary of State website gives job vacancy information and lists contact information for various departments.

Federal Job Links

www.calltoserve.org

Government website explaining federal job opportunities and all of the benefits of working for the Federal Government

<http://www.usajobs.gov/>

This is an excellent website that lists federal careers.

www.federaljobsearch.com

Federal job openings are listed state by state.
