

Advising Guides for Freshman & Sophomores

Bachelor of Health Science in Community Health

This is based on the 2023-2024 Academic Year and is based on successful completion of 15 hours a semester with no summers. Students must choose the STEM or Social Science Focus Area. Refer to the document “General Education Requirements for General Studies Students – First Year Students” for details on the required general education courses for each cohort. For all general education courses, you must earn a “C” or better. Students with Advanced Placement or other approved transfer and early college coursework need to contact their advisor right away so that you don’t duplicate credits.

Level	Fall	Spring
Freshman	ENGL-1000 (3) COUN-1008 (1) PSYC-1101 (3) FYS-1001 (3) MATH-2100 + MATH-2101 (3-4) Total – 13-14	ENGL-1010 (3) Fine Arts (3) Social Science (3) Elective/ Concentration Courses (3) Physical Science (3-4) Total – 15-16
