If you have not provided a physician's certification in a previous academic year, your physician must complete this section.

Physician Certification: I certify that my patient, the student identified above, has a disability condition that has improved and the student, in my professional opinion, has the ability to engage in substantial gainful activity. The phrase "substantial gainful activity" generally describes a situation in which a borrower is sufficiently physically recovered to be capable of attending school, successfully completing a program of study, and securing employment in order to repay the new loan the borrower is seeking. I understand that I may be contacted by GSU Office of Financial Aid for clarification of this student's status.
