GOVERNORS STATE UNIVERSITY

Employer Guide

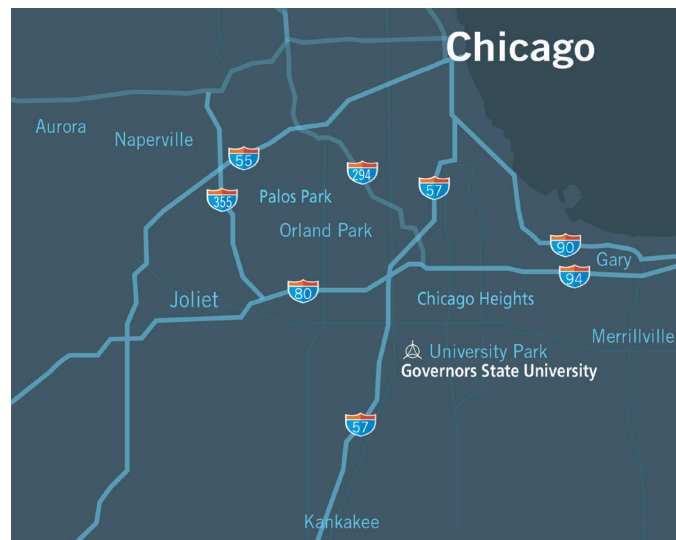

ABOUT GSU

Founded in 1969, Governors State University (GSU) is a four-year public university in the state of Illinois that champions accessibility, innovation, and flexibility.

Serving more than 5,500 students, GSU offers 64 degree and 24 certificate programs. Our students earn the qualifications needed to succeed in business, industry, healthcare, the arts, and education.

Set amongst **750 acres of prairie**, GSU is located **40 miles south of Chicago**, and is proud to offer the **most affordable university undergraduate tuition rate in the Chicagoland area**. The university faculty, administration, and staff are committed to providing a quality education, embracing diversity and serving students with excellence.

The GSU experience includes a comprehensive student life, both on and off campus, with on-campus housing, club sports and recreation, civic engagement, international student services, more than 80 student clubs and organizations, the world renowned Nathan Manilow Sculpture Park sculpture park, the Center for Performing Arts, and much more.

RECRUIT GSU STUDENTS

At Governors State University, our mission is to offer students an exceptional and accessible education, preparing them with the knowledge, skills, and confidence to succeed in a global society.

With soft skill development at the forefront of employers' needs, we use a strengths-based approach to allow students to align their strengths with the important career readiness soft skills needed to be successful in today's workplace. Our students are passionate, self-motivated, and eager for opportunities to grow in their field of study and will bring that same energy and passion to your organization.

OFFICE OF CAREER SERVICES

CONTACT US: career@govst.edu, 708.235.3974

The Office of Career Services at GSU provides a comprehensive array of services to assist companies and organizations with their recruitment needs. We offer:

- Free access on our website to the Jobs4Jaguars database where employers can load company profiles and open positions
- Courtesy job and internship postings through our university-wide bulletin boards
- Assistance with marketing efforts via mass email postings and flyers
- Opportunities to participate in our annual career and internship fair
- Opportunities to present in classrooms, student clubs, and student organizations
- Arrangements for on-campus student interviews
- Partial reimbursement for paid interns through the Illinois Cooperative Work Study
- Grant funds (when available)

Internships may be paid or unpaid, taken for experience and/or academic credit. Let us meet with you to match your organizational needs with quality candidates.

POST JOB AND INTERNSHIP OPPORTUNITIES FOR YOUR ORGANIZATION

Jobs4Jaguars, powered by Handshake is an online service that your recruiting needs. Please visit https://app.joinhandshake.com/employer_registrations/new and click the Employer Link to create or log in to your account. There is no cost associated with registering and advertising positions to students and alumni.

ON-CAMPUS RECRUITING PROGRAM

The Office of Career Services actively supports on and off-campus interviews, with screening, student interview preparation, and other high-impact practices. Additionally, if selected as a campus partner for the **Illinois Cooperative Work Study Grant Program**, we will work to place highly-qualified students into your organization as interns, while also providing a valuable reimbursement to cover a portion of the intern's wages.

The Governors State University **Summer Part-Time Employment Fair** and the **Spring Career and Internship Fair** specifically target students looking to obtain hands-on learning experiences.

RECRUITING POLICIES AND GUIDELINES

Governors State University is a member of the National Association of Colleges and Employers (NACE) and abides by its standards for professional and ethical behavior. For additional information, please visit www.naceweb.org.

DEPARTMENT OF LABOR: FAIR LABOR STANDARDS ACT (FLSA)

In an effort to support the needs of students and employers, Governors State University encourages all participants to abide by the guidelines set forth in the Department of Labor Fair Labor Standards Act. Ongoing discussion regarding internships is taking place around the country, and changes to this legislation may be forthcoming. The Office of Career Services encourages organizations to be informed about changes that may occur.

ENGAGE, VOLUNTEER, MENTOR, PARTNER

GSU has many opportunities for you and your organization to connect with our students through impactful networking events and volunteer opportunities. Career-themed events connect you to prospective employees.

Mentor students through paid or unpaid internships, informational interviews, classroom visits, mock interviews and more. Volunteer to serve on a program or college advisory board or to assist in university activities such as the Science, Technology, Engineering, Arts, and Mathematics (STEAM) summer camp.

EXTENDED LEARNING

The School of Extended Learning provides a wide variety of on- and off-campus academic and professional development offerings designed to improve employee skills, knowledge, and effectiveness.

Offerings such as Certified Associate in Project Management (CAPM), Lean Six Sigma, and examination preparation for the Professional Human Resources (PHR) and Senior Professional Human Resources (SPHR) certifications, among others, improve employee performance and add value to your organization.
