

EXPLORATION

FRESHMAN YEAR

1. Set up an appointment with a career counselor to discuss your career plans.
2. Identify interests, skills, work values, and personality preferences-key factors in the career decision making process..
3. Explore the What Can I Do With This Major? resource posted on the Office of Career Services website.
4. Pursue summer jobs or volunteer opportunities related to your interests. Develop a good work ethic!
5. Develop good study practices and keep your grades up. Employers want candidates with high academic achievements.
6. Attend relevant Career Services workshops such as:
 - Myers-Briggs Type Indicator (MBTI)
 - Strong Interest Inventory
 - Knowledge, Skills, and Abilities
 - Work Values
