Item	Discussion	Timeline & Responsible Person(s)
Welcome Intros Dan Coalition Chair	Introductions made.	NA
Get to know each other Don and John	Don shared about his extensive experience in Health Care and Ministry related to drug mis-use. John shared that he is in recovery and how this experience informs his work. Ashley and Wren agreed to share at the Sept. meeting.	
Wren Strategy & Evaluation Committee	Nashville Middle School has agreed to participate in Hoyleton's prevention lessons. COVID may delay that start. Plans are being made to promote Drug Take Back day October 24 th . Hoyleton is leading their annual event at Doebrings pharmacy in Okawville, promotional items will be provided.	At the Sept 19 full coalition meeting, updates and help requests re Drug Take Back and Assessment will be provided.

	<p>SISAA will also promote this at other locations, more info. coming later.</p> <p>Wren participated in the recent coalition academy. They emphasize engaging the entire community in the assessment and planning process. The committee is working to engage more people in that. Focus groups are being planned and we will try to do a new student survey as COVID restrictions allow. A draft assessment was emailed to the group. Input and questions were requested during the Executive Committee.</p>	DT Prep
Membership Sharon	<p>The last committee meeting was very productive. We are recruiting a number of new people and are making arrangements to present Friends of Prevention Awards to the 8 local units of Government that agreed to opt out of Retail/Recreational Marijuana Sales. Arrangements are being made to honor our previous coalition Chair, John Brittingham at the October Randolph County Commissioners meeting.</p>	<p>By Sept. 4 updates and help requests re help with awards will be emailed by Dennis.</p> <p>DT check/do</p>
Recovery John	<p>Our new support group has met twice by zoom and is very promising. We are recruiting more people to participate. A recovery oriented video is in production. Photos of that work were recently posted on Facebook and are generating strong interest. A number of Recovery month activities for September are being planned. More info about that is coming soon.</p>	<p>By Sept. a number of recovery month activities will be delivered.</p> <p>In process</p> <p>FB Miscel posts DT John Video FB Placards being made</p> <p>John check recruiting Newspaper stories & Radio interviews</p> <p>FC program event, Mariah creating FB promo</p>
Prevention Dennis	<ul style="list-style-type: none"> ➤ 11,512 people with prevention messages up 12% previous month ➤ 1,425 engagements up 67% ➤ 31 likes up 158% <p>Daily radio ads on WHCO and WSIV Monthly ads in all 5 local newspapers John started posting Recovery messaging.</p> <p>We could get our prevention messages to even more people with your help by commenting, liking and sharing @ourSISAA</p> <p>We have lots of promising things happening because the following people have been working on committees recently.</p>	<p>By 9-4 Dennis will schedule the next round of committee meetings</p> <p>In process</p> <p>Membership this week</p> <p>Strategy next Youth & Sustainability before Oct FC</p>

	<p>Wren Fallon Marc Kiehna Carol Mulholland Dan Emge Mariah Bargman Sharon Frederking John Reith Kendra Kennedy</p> <p>We are also building up our prevention skills by participating in the Coalition Academy John Reith Wren Fallon</p> <p>Community Anti-Drug Coalitions of America Midyear conference Mariah Bargman and Dennis. Mariah participated in trainings about social media messaging.</p> <p>Dennis participated in training about the Seven Strategies of Community Change, which is the basis of our work and grant administrative issues.</p>	Communications before Nov FC
Program Ashley Doerge	The program was an overview of the key factors involved in the process of substance misuse treatment. Ashley addressed the fundamentals of the process and what ComWell is doing to meet the need. People face many barriers in treatment. They often do not have a social security card or birth certificate which are needed to obtain insurance needed to pay for services. This is just one of many examples.	By 8-21 Dennis will email Ashley's program slides to the coalition. Done
Other	<p>There was discussion about the pros and cons of meeting in person in Sept. Sparta Community Hospital has COVID suitable space for up to 25 people. There was interest in providing digital access to those who could not or would not attend in person meetings.</p> <p>Next meeting Sept. August 16 location TBD</p>	<p>By Sept. 9 the Planning group will decide re in person or digital meeting.</p> <p>To Do 9-11</p>
