

CEAD Council ROSC's Community Outreach Plan

CEAD Council 5 ROSC's have complied and completed all initial requirements regarding Outreach Planning.

FY21 Update

- a. Held a drive through information resource fair in all 5 Counties at 8 sites to raise awareness of substance use disorders and resources available. Numerous ROSC Council member volunteers as well as staff from Clinical, Prevention, and ROSC divisions of CEAD Council participated. Numerous non-profit community organizations provided materials and volunteers for these events.**
- b. Developed and distributed both a trifold brochure and flyer with emergency phone numbers of area resources for Food, Shelter, Testing, Treatment, Hotlines for Suicide, Domestic Violence, and MI and SA Treatment.**
- c. ROSC Council members have begun to reach out to those Council members who are not attending meetings regularly in order to encourage participation and to seek new members.**
