Dr. Michael Blain specializes in
Suboxone and Vivitrol treatment and
Family Practice.

He provides tools for patients that can
assist them in overcoming their
addiction to opiates and alcohol.

Suboxone is a Medication-assisted
treatment for opioid dependence.

Vivitrol is a Medication-assisted
treatment for alcohol and opiate
dependence.

Treatment includes medication,
education, counseling and other
support.

Suboxone and Vivitrol can allow a
person to regain a normal state of mind,
and help suppress withdrawals,
cravings and the drug-induced highs
and lows of opiate
addiction.
