Notes:

December's MFCI ROSC meeting was a huge success. It was the largest attended meeting since current coordinator accepted the position 14 months ago. Organizations represented included; AHEC, ROE 26, WIU, Fulton County Arts, Birth to 5, North Central Behavioral Health (Fulton & McDonough County), Macomb Police Department, Sagamon County ROSC, Bridgeway, Unity Point, McDonough County Health Department, WIRC, University Baptist Church, and Trinity Lutheran Church. Many connections were made among the participants. Coordinators shared MFCI ROSC surveys to help address the strategic plan and encouraged members of council to complete and return them. A video that promotes recovery during the holidays was played and well received.

## **Welcome**

### ***ROSC Mission:***

"Collaborating to build and empower communities of recovery"

### ***ROSC Vision:***

- People can and do recover.
- Individuals and families determine the supports and services they need.
- Services and supports are continuous and cohesive across different phases of care and are coordinated across the various agencies involved in their delivery.
- Support of recovery is a community responsibility and value.
- There is inherent flexibility in the system, so it can be responsive to different pathways to recovery.
- Measuring quality and outcomes is a system priority.

### ***ROSC Values:***

- Recognize the right of a person to direct their own recovery
- Recognizing that there are many models of, and paths to, recovery
- Operate with integrity and a sense of personal responsibility
- Include the "voice" of peers, family members, and the community in planning and decision-making
- Implement programs with competency and good stewardship
- Empower individuals and families
- Embrace cultural diversity

### ***ROSC Goals:***

- Inform, educate and empower individuals and communities
- Determine existing services available as well as the needs to expand necessary services in the areas of prevention, treatment, peer recovery support and systems improvement
- Partnerships that are rich and diverse
- Increase in the number of people pursuing recovery, improving recovery capital to strengthen capacity to build and maintain lives in recovery and build recovery sustainability
