III. Council Presentation:

Jaseem Answer- The Managing Director of Global Executive Council Services. He's also a scientist/toxicologist consultant with GECS. The last 16 years he has served the people as a non-profit organization. The foundation is Islamic. Global Executive Council Services is a not for profit Tax-Exempt 501 (c) 3 multi-cultural organization established in 2016 with a mission. There they have a free clinic in Libertyville, distribute food boxes, provide Covid testing, vaccinations, donation

drive, clothing drive for the refugees, and created the Social Justice Task force for the brutal murder of George Floyd.

Their mission is to empower and educate women, minorities, and immigrants to excel in their lives, careers, and businesses.

Primary area of operation are as follows:

To provide job and business expansion opportunities to minorities, women and immigrants.

Services:

Workforce development- Take steps toward a better future

Social services – There certified and trained social workers assist clients in applying for various forms of government assistance, including Medicare, Supplemental insurance, Extra help, Medicaid, Supplemental Nutrition Assistance, Disability Benefits, SSI, Etc....

Small business and Entrepreneurship – Entrepreneurship Program are designed to help small business in expanding their connections through our business networking and one-on-one consultation

Mental Health Program – the behavioral program designed to help clients to find a safe environment where they can feely and safely express their needs

Referral services- GEC works diligently and actively collaborate with other service providers in Chicago Metropolitan area in order to support, connect, and link our clients to services that they desire outside GEC.
