Team Checkin's:

Updates:

Light university to start Sept 13th @

No state wide Rosc because of in person sept 22 - 23
Neesha, kristen, ruby and jenny

Kathleen Collaborative - confusion, low attended because of aug, continuing to remind, she wants us to talk about our goals and our plans that she can help use MAPP to help us. Look first in will and Grundy County first. Connie Dewall helps her to connect with. Create an event to connect the constituents that we have.

Neesha - observe, connect,

Prayer for Linda Stevenson

Create an in person meet and greet

Connection - listening to specifics of what is needed, liaison - being intentional on making connections , locked - getting out there and being seen , collaboration, help - connection to resource specific, self care, network - constancy, navigating the system of care, warm handoffs, meeting people where they are at, being touchable and available.

Living room experience - showing up, good to train, we are the link,

Tomorrow - let really network, 2 at the table and others walking around

Business cards

ROSC - 180, improving yourself , collaboration ,, networking, locked connection, liaison, Help, connection people, being intentional about making connections wherever you go, listening to what is needed specifically, consistency, process of ground roots, being seen, warm hands off, navigate system of care, meeting people where they are, HLM 180 complete, turn around,
