## A Webinar About What Illinois Communities Need to Know

Join us as we bring in Special Agent and Demand Reduction Coordinator Greg Czaczkowski from the Drug Enforcement Administration (DEA) for a webinar where you can learn about the dangers of fentanyl and counterfeit pills and ways that we can talk to our loved ones about the risks associated with these types of substances.

You can join one of the two sessions on

**Session 1: 12:00 p.m.-1:00 p.m.**
