The January meeting for the Bridgeway-MFCI ROSC was a huge success. We had representation from more 15 agencies. Agencies represented include, Macomb Police Department, Eagle view, Salvation Army 360, Oxford House, BASE, WIRC, AHEC, Adult And Teen Challenge Of The Greater Midwest, North Central Behavior Health, ROE 26, Chesnut Health, Samaritan Wellness, Empower Deflection Initiative, and more. The meeting focused on the new system of care coordinator for MFCI ROSC, Chance Uhland. Mr. Uhland gave a 10-minute presentation on his journey of recovery and lived experience and his goals and objectives for MFCI ROSC. A Q&A followed from WCI ROSC coordinator Jeff McFadden and Adult and Teen Challenge director Derek Dare. Mr. Dare and McFadden have known chance for 2 years prior to him accepting the role as coordinator. MFCI ROSC coordinator has met with colleagues, superiors, MFCI council members to discuss community survey, strategic plan, and the direction of MFCI ROSC.

**Welcome**

***ROSC Mission:***

“Collaborating to build and empower communities of recovery”

***ROSC Vision:***

- People can and do recover.
- Individuals and families determine the supports and services they need.
- Services and supports are continuous and cohesive across different phases of care and are coordinated across the various agencies involved in their delivery.
- Support of recovery is a community responsibility and value.
- There is inherent flexibility in the system, so it can be responsive to different pathways to recovery.
- Measuring quality and outcomes is a system priority.

***ROSC Values:***

- Recognize the right of a person to direct their own recovery
- Recognizing that there are many models of, and paths to, recovery
- Operate with integrity and a sense of personal responsibility
- Include the “voice” of peers, family members, and the community in planning and decision-making
- Implement programs with competency and good stewardship
- Empower individuals and families
- Embrace cultural diversity

***ROSC Goals:***

- Inform, educate and empower individuals and communities
- Determine existing services available as well as the needs to expand necessary services in the areas of prevention, treatment, peer recovery support and systems improvement
- Partnerships that are rich and diverse

- Increase in the number of people pursuing recovery, improving recovery capital to strengthen capacity to build and maintain lives in recovery and build recovery sustainability
