

TRANSPORTATION

We have Dart and TACS to help with transportation, as well as Piattran. The probation office gives out gas cards, and we get them donated

SOBER RECREATIONAL EVENTS

Events held in DeWitt County brought those in the recovery community to the same table as those who do not identify as being in recovery

STIGMA REDUCTION

Stigma reduction efforts include billboards showing that recovery is possible, yard signs with positive messaging, events for the public, not just those in recovery, school presentations, etc.

ENGAGED PARTNERS

Community partners that were engaged in these priorities include: DeWitt County Health Department, Clinton High School, Blueridge School, DeWitt County Jail, and the 708 Mental Health Board, DOVE, PLE's Heritagies Behavioral Health

POPULATIONS SERVED

populations served include those aged 10 years old and up! Those who identified as being in recovery, active addiction, friends and family, and youth.

SUMMARY

DeWitt County's work this year has positively affected the community, those looking for resources, and those in recovery. We assisted those into treatment
