

Livingston ROSC FY25

End of Year Report

Community Impacts

The fruit of FY25 is evidence of strong collaboration between local service providers and community organizations to provide a true “network of care”.

Active volunteers from the ROSC Council and its Subcommittees are engaged in community events and outreach activities. This has led to numerous in-person engagement and grown the ROSC contact list to broaden the reach of our coalition within the entire community. Each partnering agency has a ROSC 101 binder that outlines the mission and strategic plan for all employees to have access to.

The ROSC has provided QPR Suicide Prevention trainings to 76 people, including staff from Boys and Girls Club, Livingston County Health Department, Livingston County Probation Department, IHR Counseling, Safe Journeys, and Jeremiah’s Journey Suicide Awareness Group.

FY25 has gained engagement from the following sectors: Heartland Community College- Pontiac, Manufacturing, EMS, Veterans Assistance Commission, Chamber of Commerce, Public Libraries, Local Hospital (OSF), Women’s Health Advocacy, Local Employment Agency/Advocates

Funded in whole or in part by the Illinois Department of Human Services,
Division of Substance Use Prevention and Recovery.

FY25 ROSC Priorities

1. Collaborating with local agencies including the Health Department and the counseling providers to increase awareness of resources via social media messaging throughout the county.
2. Providing direct support to United Way/Salvation Army to bring awareness regarding the homeless challenges in Livingston County.
3. Partner with diverse service providers to promote a digital campaign that shares testimonials and will instill hope and provide tangible pathways to recovery.
