Review FY25

Skylar made a presentation to share with the council to review the past year. She talked the council through each month and highlighted events and wins within the community! Free laundry days, drug court graduations, recovery month celebrations, attendance at health fairs and connections made within the community were all mentioned.

The PDF with all of the slides shared will be sent out with the meeting minutes for everyone to view.

Drug Overdose Prevention Program

Drug Overdose Prevention Program sites were talked about during the FY25 review but it was noted again, that there have been two new DOPP sites placed. One in Moultrie County and one in Shelby County. The laundromat owners that allow us to have free laundry days recently allowed us to place Narcan at both facilities. The laundromats are open 24/7.

Communication Campaign Overview

Skylar mentioned that she had sent out a survey for council members to take regarding our FY25 Anti-Stigma Communication Campaign.

We will be continuing that throughout FY26. You can view the past years infographics on the Moultrie Shelby County ROSC Facebook page. Skylar will also send the actual images to everyone on the email list.

Events

We will have THREE laundry days in June.

Shelby County- June 12th from 9am to 12pm, Moultrie County- June 13th from 1pm to 8pm and June 26th from 9am to 12pm.

Summer Vibes and Community Tides is coming up quick on June 28th in Sullivan. Skylar encouraged everyone to please share this event. There is a splash pad in the park so people who would like to use that should come prepared to get wet! There will be snacks and plenty of activities for the families in attendance.

Heather mentioned that she is still waiting on confirmation for the armory to provide “Touch the Tank” at the event.

ROSC is partnering with Shelby County Salvation Army and CEFS to provide children with supplies needed for school. This is the annual BACK TO SCHOOL BASH. This year there will be snacks and a movie at the pick-up place. This event will be held on July 17th at Assembly of God Church. This flyer has been sent out to the email list and can also be found on the Facebook page.

Upcoming Speakers

Natalie Inman with Shelby County Community Services will be our speaker for July.

Questions/Comments/Announcements

Bonnie shared with everyone about Restoration Farms upcoming event, Night of Hope. The flyer will be sent out.

The next council meeting date was discussed because of the 4th of July holiday but the 1st of July works for everyone so we will keep that the same.

Skylar shared with everyone that she is having a procedure done on July 2nd and she will be off work for a few weeks following this procedure.

The accomplishments over the last year were highlighted again and praised by all in attendance. We cannot wait to see what we do over the next year.
