

# Piatt County ROSC Community Impact Report

## Top 3 priorities for FY 25

- Transportation
  - Funds provided from opioid settlements, we were able to provide free transportation for those needing recovery or treatment services. Probation is able to give gift cards to assist with transportation as well!
- Sober Recreational Events
  - Events held in Piatt County bright those in the recovery community to the same table as those who do not identify as being in recovery. These events provided a safe, substance and alcohol free space for folks to spend quality fun time with their family and loved ones!
- Stigma Reduction
  - Stigma reduction efforts included billboards showing that recovery is possible, yard signs with a positive message of hope and collaboration, events for the public not just for those in recovery, as well as school presentations!

## Engaged Community Partners

- Crossroads Church, Bement, IL
- First Presbyterian Church, Monticello, IL
  - Kirby Medical Center
  - Canvas and Corks
  - Piattran
- Piatt County Probation
  - Law Enforcement
- Local school districts

## Populations Served

The population served include ages 11 years old all the way through 100! We were able to serve those who identified as being in recovery, those in active addiction, friends and family, and the youth. Piatt County ROSC was able to assist several folks into inpatient treatment as well as several others into outpatient treatment.

## Summary

Piatt County ROSCs work this year has had a positive effect on the community!

Our overdose rates have gone down with overdose deaths at 0! Outside Naloxone distribution boxes have been placed in every town throughout Piatt County. Piatt County has also worked on stigma reduction this year. Though we are not at a 0 for stigma, we are slowly breaking those walls down!
