

# ROSC Community Council Impact Report

## Fiscal Year 2025

### Our Mission

To foster a recovery-oriented system that supports individuals and families impacted by substance use through collaboration, compassion, and community engagement.

### FY25 Key Priorities

#### Stigma Reduction

- Held education events to challenge stereotypes and promote empathy
- Shared lived experience stories through media and outreach

#### Awareness of Recovery Resources

- Distributed updated resource guides in schools, clinics, and public spaces
- Hosted webinars and local resource fairs

#### Law Enforcement Partnerships

- Collaborated on diversion and deflection programs
- Provided recovery-focused training to local officers

#### Community Engagement

Our success is powered by collaboration with:

- Individuals with lived experience
- Family members & youth-serving agencies
- Treatment providers & healthcare professionals
- Schools, local businesses & justice partners

#### Special Populations Reached

- Justice-involved individuals
- Unhoused community members
- People with lived experience of substance use

#### Looking Ahead

We remain committed to growing a resilient, inclusive recovery system by expanding access, reducing stigma, and strengthening community-led solutions.

**Together, we are making recovery visible, accessible, and sustainable.**
