follow-up email to members to request feedback; all council members' input is important and valuable- we will include when minutes are submitted.

4. *Logo discussion:* Joe Jackson submitted a CHAT GPT version of logo sample- majority of group liked and requested if we vote yes, to change color to purple. Dan H/ROSC team plan to check with Marketing team for other options before finalizing.
5. *Community Survey:* survey provided by Conswala to review and share feedback. Based on current template/content, the committee had the following suggestions:
  - A. Changing question order, specifically one and two.
  - B. Reducing responses from five to three.
  - C. Add living situation/unhoused, i.e. own/rent home, unhoused, transition (living with family/friends, shelter, or other temporary housing).
  - D. Increase MAR education and resourcesDan/ROSC team will discuss input and edit current version with feedback; will send email to council once a final copy has been approved.
6. *Question of the day:* Challenges regarding supports for mental health, substance use, recovery support services? Committee reported on following challenges:
  - A. Cohesiveness of agencies and resources; raising awareness and working to reduce "NIMBY- not in my background) mentality.
  - B. Available resources that are easily accessible
7. Both ROSC teams, MERC/St. Clair Co, will review content and guidelines for joining committee. The teams will schedule upcoming meetings with potential partners to discuss project goals and check availability.

## **Final thoughts:**

Meeting adjourned; next meeting will be held, via Zoom, on September 17<sup>th</sup> at 10am; meeting link will be sent. We will continue to update the committee on program changes as we continue to grow. Thank you for attending and staying engaged!
