Welcome:

Zoom Attendees: Sheridan Jordan, Monique Brunious, Stephanie Zimmerman, Phylis Babarove. Beverly Holland, Kelly Palmer, Heather Creasy, Angela Holloway, Conswela Jones, Patrick Miller, Alex Schneider, Johanna Gonzolez, Morgan Isaiah

Sober Fest: Sober Fest was a wonderful event! LOTS of fun, fellowship and recovery. PLE's shared their testimonies and inspired many people. The event focused on **recovery support with resources from TAC and other recovery supports.**

1. RCO:

Shared what **TAC 3 new work groups** (Stigma, Harm Reduction, RCO) will look like. We invited people to join and contribute their thoughts and Ideas, to **support an RCO in Clinton County.** Although the Recovery Shop anticipates moving to Marion County, TAC is hopeful of continuing to collaborating and working alongside Nellie.

- **TAC Coalition** will be reaching out to those who have wisdom regarding RCO's
- **RE: Tyrone Hill, Nellie Baity, Mike Tyson, John Magneson**
We plan on connecting and having discussions to **assess our next steps.**

2. Red Ribbon Week:

- TAC shared surveys, resources lists, bracelets to all **20 Clinton County Schools.**
- Schools were introduced **a resource packet** to hand out **about TAC** and how to get involved with our organization and upcoming new work groups, The packets also included **coloring pages and activities for the children.**
- A special **thank you to Kelly Palmer** for all your support in helping with RRW.

3. Surveys:

- TAC will print paper copies soon to **share with everyone, everywhere!**
- Discussed putting **surveys in libraries**, and other **Clinton County** establishments.
- **Upcoming:**
 - Lisa Massey from **DCFS** will share on **November 18th, 2025**

- **Love Recovery** will be in February. We will be working with the **stigma work group** in planning this event.
- Dan mentioned we can use a **key informant questionnaire to the community** to get feedback.
